God Vs Gay The Religious Case For Equality Queer Ideasqueer Action:

God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible s teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one

Redefining Religious Liberty Jay Michaelson, 2013-03-01 *The Gaying of America & The Love of God* M.A.R., 2014 What does God say about homosexuality How does this differ from what society says Is homosexuality wrong Does God hate gays Rarely will you encounter a book which speaks both of the love of God and homosexuality Homosexuality usually elicits blasts of judgment from the religious community and not love The Gaying of America and the Love of God reconciles these three seemingly opposing topics explaining how God views the behaviors of His most precious creation humanity Jesus response when confronted with sexual misgivings is telling of what the religious community s attitude should be on this exploding topic An examination of Abraham also reveals a surprising reaction from the patriarch of three of the world s largest religions What influence will gay marriage have on the fate of the United States of America This book brings God s perspective to this conversation in an attempt to bring all communities together including those in the LGBT community A truly prophetic call to the church and to the modern world **God Did Too Make Adam and Steve** Denny

Smith, 2015-09-24 God Did TOO Make Adam Steve is short and concise yet filled with powerful and thought provoking content Whether you are accepting of gay people and their families opposed to the idea of gay relationships or somewhere in between this book is designed to help readers replace blistering rhetoric with meaningful dialogue and deal with issues in a calm manner Regardless of where you stand on the issue of equality for same sex couples after reading this book you will approach the issue with deeper insight increased understanding and the confidence to engage in meaningful conversation Although marriage equality is a legal reality in America a lot of controversy and misunderstanding still surrounds the issue Many parents and families still struggle some to the point of severely strained relationship Wherever families are on their journey God Did TOO Make Adam Steve helps parents siblings and friends of LGBT people to move towards love support and

acceptance Religious differences still divide us and cause us to engage in heated and sometimes hurtful conversations This book empowers people to engage in civil discourse in a non threatening way Writer Denny Smith brings a traditional background a public school education a social conscience and a parent s love to the controversial issue of marriage equality This book will lead you to consider Is Sexual Orientation a choice or is it inherent Is the love between two gay people any different than the love between a man and a woman Is gay marriage really a threat to the institution of marriage Is it possible for us to disagree without being disagreeable Based on personal insight scholarly reference scriptural context God Did TOO Make Adam Steve confronts ideologues and bashers who would deny legal rights and human dignity to LGBT citizens It drives a nail although amicable through the facade of political and religious extremism that denies that all men and women regardless of sexuality are children of a loving Creator God Did TOO Make Adam Steve is more than an academic text or social treatise it is a saga of love and justice that supports the growing belief of mainstream America that marriage is a personal issue constitutionally guaranteed

The Queer God Marcella Althaus-Reid,2004-06-01 There are those who go to gay bars and salsa clubs with rosaries in their pockets and who make camp chapels of their living rooms Others enter churches with love letters hidden in their bags because their need for God and their need for love refuse to fit into different compartments But what goodness and righteousness can prevail if you are in love with someone whom you are ecclesiastically not supposed to love Where is God in a salsa bar The Queer God introduces a new theology from the margins of sexual deviance and economic exclusion Its chapters on Bisexual Theology Sadean holiness gay worship in Brazil and Queer sainthood mark the search for a different face of God the Queer God who challenges the oppressive powers of heterosexual orthodoxy whiteness and global capitalism Inspired by the transgressive spaces of Latin American spirituality where the experiences of slum children merge with Queer interpretations of grace and holiness The Queer God seeks to liberate God from the closet of traditional Christian thought and to embrace God s part in the lives of gays lesbians and the poor Only a theology that dares to be radical can show us the presence of God in our times The Queer God creates a concept of holiness that overcomes sexual and colonial prejudices and shows how Queer Theology is ultimately the search for God s own deliverance Using Liberation Theology and Queer Theory it exposes the sexual roots that underlie all theology and takes the search for God to new depths of social and sexual exclusion

Myers, Letha Dawson Scanzoni, 2024-05-21 Gay marriage has become the most important domestic social issue facing twenty first century Americans particularly Americans of faith Most Christians are pro marriage and hold traditional family values but should they endorse extending marriage rights to gays and lesbians If Jesus enjoined us to love our neighbors as ourselves and the homosexual is our neighbor does that mean we should accept and bless gay marriages These and other related questions are tearing many faith based communities apart Across the country states have voted courts have debated and churches have divided over the legitimacy of same sex marriage Amid the uproar one perspective is decidedly missing that of thoughtful pro marriage Christians who informed by their faith are struggling to make sense of this issue What God Has Joined Together is an effort to bridge the divide between marriage supporting and gay supporting people of faith by showing why both sides have important things to say and showing how both sides can coexist Drawing on scientific research as well as on the Bible the authors explain that marriage is emotionally physically financially and spiritually beneficial for everyone not just heterosexuals They debunk myths about sexual orientation assess claims of sexual reorientation and explore what the Bible does and does not say about same sex relationships The book ends with a persuasive case for gay marriage and outlines how this can be a win win solution for all
