Schaller, John Crilly, 2016-05-01 Love God love people Could evangelism really be that simple Often it doesn't seem so It can feel scary awkward and uncomfortable as we try to navigate loaded questions and different perspectives Even the most faithful of believers sometimes get stumped But can you imagine if we as Christians simply spent time with people who are far from God and provided a safe place to talk about spiritual matters If we listened to them and discovered what was really important to them After all it's what Jesus did And it's what you can do too Drawing straight from the life and ministry of Jesus **The 9 Arts of Spiritual Conversations** offers simple practices to help you build relationships with people who believe differently Anyone who has read and appreciated *Becoming a Contagious Christian* or *Just Walk across the Room* won't want to miss this book on creating a safe space to have natural loving and spiritual conversations with others Adventuresome Soul Spencer Nicholl, 2022-02-01 Spencer Nicholl a self-professed adrenaline junky was once unaware of the ultimate source of life and adventure As a result he continually welcomed risk and the unknown while seeking epic experiences and the subsequent rush the only way he knew how In a fascinating narrative Nicholl chronicles his life experiences fueled by a thirst for adventure that placed him on a trajectory that only left him craving more While detailing his journey through childhood and then from college to the Alaskan bush for a two year hiatus Nicholl candidly reveals how his youthful desire for excitement and to fill a great emptiness inside eventually led him on a dangerous brown bear hunt and to a life-changing revelation that the source of true adventure was in building a relationship with God While sharing how this revelation

changed his direction and moved him beyond North America to embrace many diverse experiences Nicholl encourages seekers to step into their own adventures guided by God Story after story of raw adventure guaranteed to reawaken you to something God has hardwired into each one of our souls Doug Pollock speaker and author of God Space

Baab, 2014-06-05 Listening skills and the perspective gained through careful listening are more important in congregations than ever Many factors make attentive listening a significant contributor to healthy congregations As we enter into a post Christendom culture the people coming into congregations as well as the people in the wider community are less likely to be operating from a shared set of assumptions With world wide

migration reshaping our communities and congregations diverse perspectives coming from varied cultural backgrounds are also more common The breakdown of many support structures in society has created profound pastoral care needs making listening increasingly significant for both ministers and lay leaders Polarization over so many issues and the increasing emphasis on story telling in the journey of faith are two additional reasons why listening matters today Careful and loving listening nurtures care connection and depth which contribute to congregational life and health Listening to God is another aspect of listening which is gaining increased attention today Many congregational leaders have become weary of church as a business and are looking for authentic experiences of God s guidance Congregations are increasingly engaging in communal discernment Many listening skills used in human interactions are also building blocks for listening to God
