Fresh Cheese Troy Cheese,2013-12-19 Why me is all I ask My crime was getting drunk that s how I dealt with pressure I never smoked or sold drugs I invite you to check my record Drinking is legal but I stayed intoxicated For what you ask It wasn t drug related It all started in 1983 when I was hit by a car Paralyzing my left side it goes back that far I died 3 times my life was robbed It was a miracle I lived by the grace of God Just like a nightmare and tragedy it was a terrible sight I wasn t drunk driving I was riding a bike I went through the front window and out the back It was a 1983 Cadillac I stayed in a coma for 6 weeks The day they pulled the plug I awoke from sleep I couldn t even walk but I was so determined I lost a third

of my memory I had a will for learning I got married the same year to a beautiful woman As time went by the memories kept coming I went to college as part of my rehabilitation I was starting a family so I had to increase my education Even though I only had the use of one hand It made me more determined to be a man With all I had been through I wasn't delirious Every one of my responsibilities I took serious Here is something the doctors stated If I had used any drugs I never Would've made it I went through hell and hot water and I proved I was able Though I took care of my family my wife was unfaithful Since my accident I have been butchered and slaughtered Though she was unfaithful she got my two sons and one daughter Without my kids I got no lovin It's not the fact that she cheated she cheated with my cousin She even married him and that's when I really started drinking I should've trusted in Jehovah God but I was way beyond thinking And now I'm doing time for something that I'm totally against I'm stuck between a rock and a hard place with my back against the fence It's been pure hell And I've had enough I'm living for my kids so I can't give up What I'm telling you is true these are all the facts Why me is all I ask
