Gods In Everyman Archetypes That Shape Mens Lives:

Gods in Everyman Jean Shinoda Bolen, 2009-10-13 In this challenging and enlightening companion volume to the bestselling *Goddesses in Everywoman* Jean Shinoda Bolen turns her attention to the powerful inner patterns or archetypes that shape men's personalities, careers, and personal relationships. Viewing these archetypes as the inner counterparts of the outer world of cultural stereotypes, she demonstrates how men and women can gain an invaluable sense of wholeness and integration when what they do is consistent with who they are. Dr. Bolen introduces these patterns in the guise of eight archetypal gods or personality types with whom the reader will identify. From the authoritarian power-seeking gods Zeus and Poseidon to the gods of creativity Apollo and Hephaestus to the sensual Dionysus, Dr. Bolen shows men how to identify their ruling gods, how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes in order to enrich and strengthen their lives. She also stresses the importance of understanding which gods you are attracted to and which are compatible with your expectations, uncovers the origins of the often difficult father-son relationship, and explores society's deep conflict between nurturing behavior and the need to foster masculinity. In *Gods in Everyman*, Dr. Bolen presents us with a compassionate and lucid male psychology that will help all men and women to better understand themselves and their relationships with their fathers, their sons, their brothers, and their lovers. *Gods In Everyman* Jean Shinoda

Crossing into Manhood: A Men's Studies

Curriculum Christopher P. Mason, 2006 Many scholars have documented and decried the crisis in American masculinity There is a preponderance of evidence showing that males suffer from many physical emotional and social ills due to the gender scripts with which they were raised and which continue to govern men's lives Throughout the millennia and across cultures initiation rites of passage have been utilized as an effective means of transitioning young males into manhood Modern culture suffers from a dearth of rites of passage leaving many boys stuck in puerile attitudes and behaviors and unable to make a wholesome transition into mature masculinity Crossing into Manhood is a much needed guide on assisting late adolescent boys transition into manhood it proposes a school based curriculum and rite of passage paradigm to help young men make the difficult passage into manhood Utilizing resources from diverse academic disciplines this book surveys the psychoanalytic the social constructionist and the essentialist perspectives on masculine gender As a result a men's studies curriculum has been formulated one that offers a balanced bio psycho social conceptualization of masculine identity Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men's studies course to late adolescent boys This book will provoke further dialogue and work among educators and other adults in this important area Publisher's website

The Villain's Journey

Valerie Estelle Frankel, 2021-12-08 The villain's journey is rare in popular culture most characters are fully formed tyrants with little to no story arc However a few particularly epic series take the time to develop complex villains including Star Wars Battlestar Galactica Smallville Babylon 5 Game of Thrones and Buffy the Vampire Slayer Increasingly villains origin stories have found new popularity through films like Wicked Maleficent and Despicable Me alongside shows starring serial killers and Machiavellian schemers This book examines the villain's decline and subsequent struggle toward redemption asking why these characters are willing to cross moral lines that good characters are not The first half follows characters like Loki Jessica Jones and Killmonger through the villain's journey an inverse or twisted version of scholar Joseph Campbell's hero's journey The remainder of this book examines the many different villainous archetypes such as the trickster the outcast the tyrant or the misunderstood hero in greater detail Written for writers creators fans and mythologists this book offers a peek into the minds of some of fiction's greatest villains
