so we are connecting directly His power by the right size of our brain Only human beings have eternal life nobody in the entire universe has it Jesus taught us to forgive love and help Living on Earth is just an apprenticeship of this Well heaven exists and there will be only those who learned and practice what Jesus taught us I knew hell and I did not feel fear The limbo shocked me and when I got in heaven I felt so good and I wanted to stay there God My children has been destroyed because is not knowledge It is the reason why the book Thank You God was written so that everyone can reach a flourishing life
