**Why The Church Needs the Prophet's Ministry** Avian L. Christian,2011 The church today is in great need of the prophet s ministry And yet there exist much ignorance and misunderstanding of this important and vital ministry This is partly due to the lack of teaching on the subject of the prophetic ministry the lack of depth in the understanding of spiritual matters concerning the church fear distrust between leaders pride jealousy and disobedience to the Spirit of God and the will and plan of God for end time ministry All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet s ministry As the church draws nearer to the end of the church age prophets prophetess and prophetic ministries will become more necessary and in increasing demand The purpose of this book is to show biblical evidence for the ministry of the modern day prophet prophetess and to show they still exist within the New Testament Church The purpose is also to establish knowledge of the workings of the need of and the importance of the modern day prophetic ministry Without the ministry of the prophet prophetess the body of Christ would indeed be incomplete Why The Church Needs The Prophet s Ministry is an excellent guide for opening the doors of awareness to the prophet s ministry and for the bringing about of understanding that can lead to cooperation between the five fold ministry as well as the entire body of Christian workers adding to the completion of the end time work of the ministry

solid luminous without blemish and refined to its purest state The treasured result of that transformation our lives will become a brilliant testament of Christ s love as others see how applied scripture can change our minds refine our actions and purify our hearts 24k Life is filled with stories lessons and hope each entry challenging us to let the messiness of our daily lives intersect with the refining truth of God s Word Every devotion is inspired by a color photo that immediately brought a particular spiritual lesson to mind Some are quick nudges toward actions required to show the love of Christ in our day to day routines Others are more lengthy as we seek to change mindsets that have kept us paralyzed in fear or stuck in old habits that rob us of our opportunities to reflect Christ Each devo stands on its own and is meant to be focused on throughout your week with scripture memory deeper personal study and real life application The content in 24k Life is presented as if you were having conversations with a friend Some entries involve humorous reflections of lessons learned while others reveal vulnerable moments that change the trajectory of one s faith Why Because that s real life Sometimes we need encouragement to just laugh at ourselves while other times we need to take a strong look at the habits that keep us stuck in patterns of defeat And though some struggle with handling disappointments many are fiercely battling to trust God with the untrustables Still others of us have simply turned a blind eye to what it really means to represent Christ in our day to day We attend church services read our Bibles and show up at group studies on a weekly basis all the while never actually applying what we learn to our own lives But the hope is that you just like many of us are ready to let God refine those areas that need a little work That you too might have a heart that wants to see Him use your life to draw others to His unfailing love And if you have never had a personal relationship with Jesus the hope is that you ll find Him in the pages of these entries Because not only does God love you He also has a very specific plan for your life It s empowering to know that when our mindsets meet God s point of view the opportunity for us to emerge solid without blemish luminous and refined to our purest state actually becomes a reality No matter your circumstances No matter where you currently are No matter where you used to be This can be the moment you begin a daily journey to emerge as 24k GOLD Come and join our Girl Gang of modern day gold diggers who are living a life refined by God s Word the 24k Life
