Gods That Fail Modern Idolatry And Christian Mission:

Gods that Fail Vinoth Ramachandra,1996 Vinoth Ramachandra shows how modern idols like science reason and irrationality enslave their devotees and block effective mission in today s world *Gods That Fail, Revised Edition* Vinoth Ramachandra,2016-02-12 The globalizing world of late modernity is heavily awash with pseudo gods *Gods That Fail* provocatively deploys the theological concept of idolatry to explore the ways in which these gods blind their devotees and wreak suffering and dehumanization Many of these pseudo gods have infiltrated the life of the Church and compromised its witness Combining lively social critique with fresh expositions of familiar biblical stories this book engages with a variety of secular discourses as well as the sub Christian practices that accompany and undermine Christian involvement in the public square

Gods that Fail Vinoth Ramachandra,1996 Introduction to and critique of the idols of contemporary culture science reason and irrationality Lively social criticism and fresh biblical exposition argue that secular and religious worlds are both awash in idolatry A survey of the forces that block effective mission today Compelling arguments and a global perspective In this Provocative and Brilliant Book Vinoth Ramachandra argues that the modern world secular as well as religious is awash with pseudogods Idols such as science reason and irrationality stand tall across the landscape Ramachandra shows how they enslave their devotees and too often wreak chaos inside as well as outside the church *Gods That Fail* combines lively social criticism with fresh biblical exposition It will prove illuminating and helpful to any Christian who wants to see through the forces that block effective mission in today s world **Counterfeit Gods** Timothy Keller,2011-10-04 New York Times bestselling author of *The Prodigal Prophet* and nationally renowned minister Timothy Keller exposes the error of making good things ultimate in this book and shows readers a new path toward a hope that lasts Success true love and the life you ve always wanted Many of us placed our faith in these things believing they held the key to happiness but with a sneaking suspicion they might not deliver No wonder we feel lost alone disenchanted and resentful There is only one God who can wholly satisfy our cravings and now is the perfect time to meet Him again or for the first time In *Counterfeit Gods* Timothy Keller shows how a proper understanding of the Bible reveals the unvarnished truth about societal ideals and our own hearts This powerful message cements Keller s reputation as a critical thinker and pastor and comes at a crucial time for both the faithful and the skeptical

Toward a Theology of Beauty Jo Ann Davidson,2008 Over the centuries theological studies have grappled with the comprehension of Truth and Goodness However theology unlike philosophy has neglected serious scrutiny of the study of Beauty or Aesthetics Jo Ann Davidson s *Toward a Theology of Beauty* investigates this omission **Ecclesiastes, Song of Songs** Iain Provan,2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge

between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible

Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

Trinitarian Theology for the Church Daniel J. Treier, David Lauber, 2009-03-17 These select essays brought together from the 2008 Wheaton College Theology Conference by editors Daniel J. Treier and David Lauber show both the substance and the importance of the doctrine of the Trinity for our worship our reading of Scripture and the mission of the church

The Cambridge Companion to Evangelical Theology Timothy Larsen, Daniel J. Treier, 2007-04-12 Evangelicalism a vibrant and growing expression of historic Christian orthodoxy is already one of the largest and most geographically diverse global religious movements This Companion first published in 2007 offers an articulation of evangelical theology that is both faithful to historic evangelical convictions and in dialogue with contemporary intellectual contexts and concerns In addition to original and creative essays on central Christian doctrines such as Christ the Trinity and Justification it breaks new ground by offering evangelical reflections on issues such as gender race culture and world religions This volume also moves beyond the confines of Anglo American perspectives to offer separate essays exploring evangelical theology in African Asian and Latin American contexts The contributors to this volume form an unrivalled list of many of today's most eminent evangelical theologians and important emerging voices

God's Quest Lyman C.D. Kulathungam, 2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God's relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God's incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God's sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life's turmoil and that the best is yet to be

Serving a Crucified King Jesse Steven Wheeler, 2021-11-11 Serving a Crucified King speaks to a growing crisis within the contemporary church one of misplaced allegiance and misguided discipleship If Jesus Christ is who we claim him to be then we must ask ourselves Are we truly conducting our lives and constructing our communities in light of that astonishing reality But as long as the contemporary church continues to act in a manner so seemingly at odds with the mission and message of Jesus it remains in a state of emergency Albeit a serious charge solving this crisis is of the utmost importance if we are to live once again in faithful obedience to Jesus Christ as king The magnitude of the problem necessitates the establishment of a movement of kingdom citizens devoted to the cruciform reign of Christ and committed to a wholesale transformation in thinking and practice within the church To this end Serving a Crucified King is a clarion call back to the real work of being a disciple of Jesus in our society Expect to have your thinking challenged your heart moved and your action re oriented

Known by God Brian S. Rosner, 2017-09-12 What does the Bible say about your sense of self In the past an individual's identity was more predictable than it is now Today personal identity is a do it yourself project Constructing a stable and satisfying sense of self is hard amidst relationship breakdowns the pace and rhetoric of modern life the rise of social media social mobility and so on Ours is a day of identity angst Who are you What defines you What makes you you In Known by God Rosner argues that rather than knowing ourselves being known by God is the key to personal identity He explores three biblical angles on the question of personal identity Being made in the image of God Being known by God Being in Christ At the center of a biblical understanding of personal identity is sonship God gives us our identity as a parent who knows his child Being known by him as his child gives our fleeting lives significance provokes in us needed humility supplies cheering comfort when things go wrong and offers clear moral direction for living

_____ Part of the Biblical Theology for Life series this practical and

insightful book will help you ground your longing to be known and the security of your identity on the solid foundation of biblical understanding and reflection

One World Or Many? Richard Tiplady, 2003 This book considers in detail the key drivers of globalization its contemporary shape and its implications for world mission It also looks at the impact of globalization on different contemporary issues affecting mission such as ethnicity the environment and global health as well as globalization s effect on more traditional missionary questions of the world religions contextualization theology and the church One World or Many is written by a variety of authors from all over the world This book was published in partnership with the World Evangelical Alliance

Greed as Idolatry Brian S. Rosner, 2007-08-28 What are the origin and meaning of the words greed is idolatry found in Ephesians 5:5 and Colossians 3:5 In what sense are the greedy guilty of idolatry Many different answers have been given to this question throughout the history of interpretation In fact a consensus exists on only one score that the expression serves to vilify greed Brian Rosner ably takes on the challenge of interpretation by tackling the phrase as a metaphor structuring his argument around an intriguing comparison to mountain climbing From this vantage point he offers a thorough history of interpretation of the phrase including a study of the origin of the concept of idolatrous greed in biblical and Jewish sources Rosner concludes that the comparison of greed with idolatry teaches that to desire to acquire and keep for oneself more money and material things is an attack on God s exclusive right to human love trust and obedience With this work comes a stunning fresh understanding of familiar terms greed idolatry and even God challenging both the church as a whole and individual believers to consider the far ranging implications of our materialistic world The first full length study of this intriguing Pauline expression Greed as Idolatry has profound implications for theological ethics today

Eschatological Discipleship Trevin Wax, 2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one s evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps Christians view the past present and future biblically and shapes their understanding of following Jesus

Faith and Public Life Alfred Sebahene, 2025-05-31 God s love in Jesus Christ for the salvation and recreation of all things is still the hope of the world This Christian affirmation is the reality that holds all things and holds all things together Yet in today s world it is easy to understand why the church is in pain and declining in its Christian and moral influence Rethinking Church in the 21st Century is the culmination of three years of exploration into the condition of the church around the world today Bringing together a diverse community of Christian voices these essays offer reflections and admonitions to ignite the hearts of pastors and leaders during the dynamic vulnerable and hopeful times we face In this third volume the contributors explore how the church should be engaged in the

public space in the face of the new opportunities and fundamental challenges confronting the global church today These realities missional expansion persistent barriers to human progress shifts in the composition and centre of gravity of world Christianity and a growing attention to the need for the church to embrace a radically different way of life call for a new approach to the role of faith in our public life to the different ways of witnessing to Christ and stewarding the mysteries of Christian faith With solid grounding in Scripture and critical reflection for authentic Christian public witness and mission this book speaks of how the gospel of Jesus Christ endlessly relates to the whole world and its reconciliation with God **You Mean I Don't Have to Tithe?** David A. Croteau, 2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don't Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau's intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic ChurchNext Eddie Gibbs, 2000-03-24 Eddie Gibbs candidly analyzes new church models while proposing nine areas in which the church will need to transform to be biblically true to its message and mission *Delighting in the Trinity* Tim Chester, 2010-11-01 Delighting in the Trinity looks at the wonderful and fundamental truth that our God is three in one How can there be three Gods and yet only one God Have you ever groaned inwardly at a question like this Many of us find the doctrine of the Trinity that God is three persons sharing one nature difficult to get our heads round and frankly a bit embarrassing What is more we seem to get by without thinking about it too deeply But in reality the Trinity is at the heart of all that Christians believe The nature of God as a Trinity gives shape to all Christian truth and to the gospel that we believe and proclaim And rather than be a source of embarrassment properly understood it should fill us with joy This book aims to help you see how the Trinity is fantastically good news Because the trinity means that God is not remote and uninvolved quite the opposite God sent His Son and His Spirit into our world to draw us into a wonderful relationship with Himself This is the God who gives meaning and joy to our lives And along the way we discover that the Trinity answers other big questions How can we know God What happened at the cross What does it mean to be human How can people live together with all their differences What does mission look like in a fragmented world Tim Chester will take us deeper into understanding the thrilling triune nature of God In short accessible chapters he takes us through the Bible's teaching on the Trinity gives us an overview of the important arguments over the trinity that have taken place throughout Christian history and lays out the practical implications for our Christian lives *Engaging Unbelief* Curtis Chang, 2007-11-01 How can we present the truth about Jesus to a world that rejects all truth claims as arbitrary Can we find way to engage in meaningful conversation without appearing arrogant or manipulative Can we witness to the gospel without simply enlisting in the ongoing culture wars Curtis Chang has found a unique way to address these pressing questions of our age He argues that similar challenges confronted

Christians at two key moments in church history and stimulated creative responses by two monumental thinkers Augustine AD 413 faced a fragmenting society where pagans accused Christians of causing the mounting social ills afflicting Rome Thomas Aquinas AD 1259 pondered the disorienting Muslim challenge that provoked most medieval Christians to crusade rather than converse Through a careful study of Augustine's City of God and Aquinas's Summa Contra Gentiles Chang argues that both followed a brilliant rhetorical strategy for engaging unbelief Such a captivating strategy is critical in our cultural context where Christian witness seems as difficult as ever Connecting these ancient writers to the contemporary analysis of thinkers like Alasdair MacIntyre James Davison Hunter Lesslie Newbigin and Stanley Hauerwas Chang puts forth his own bold recommendations for Christian rhetoric in the twenty first century This book will be of vital interest to a wide audience Scholars will find a fresh reading of these important texts Pastors and teachers of evangelism and apologetics will discover crucial resources from our Christian past And all Christians seeking a faithful strategy for communicating the gospel will receive inspiration and hope for today
