

The background of the entire image is a dramatic landscape. A dirt road winds through a valley, leading towards a hill in the distance. On top of the hill, three crosses are visible, silhouetted against the bright sky. The sky is filled with large, billowing clouds, and a bright sun or light source is breaking through the clouds in the center, creating a strong glow and lens flare effect. The overall color palette is warm, with yellows, oranges, and browns, suggesting a sunrise or sunset scene.

Gods Plan Of Redemption:

God's Plan of Redemption Mary E. McDonough,1999-10 *God's Plan of Redemption* Mary E McDonough,2019-12-06

The pernicious teaching of evolution in our schools and colleges and the higher criticism of our modern pulpits are responsible for the fatal drift from the avowed faith of our forefathers This alarming condition calls for new methods of presentation of the truths of God s Written Word Experience has demonstrated the wisdom of teaching the fundamentals from the biological standpoint thereby counteracting in a logical convincing manner the destructive work of infidel teachers and saving the young from their subtle snares The desirability of presenting these vital truths in a comprehensive manner with due regard to the unity and correlation of subjects has also been considered in the preparation of this course of Bible Study but the treatment of the various subjects does not claim to be exhaustive Further study of each subject will repay the Bible student and is strongly advised Suggestions in reference to such study will be found throughout this course It will be observed throughout these studies that Eternal Life is presented from the biological standpoint instead of the etymological While the best authorities agree that aionios may be used with reference to the past as well as to the future yet this word does not clearly reveal the nature of the Life that is bestowed at the instant of regeneration The term Uncreated Life actually defines the Life of God in Christ Jesus that is shared by the believer A careful reading of John 1 1 and 1 John 1 1 2 corroborates this statement by declaring Eternal Life to be the Uncreated Word who was with God the Father and who was God **God's Plan of Redemption** ,198? **The History of Redemption** Richard Samuel Collins,2017-01-23 If I were to ask you about the history of redemption you would most likely begin by thinking back to the cross and what was accomplished there by Christ From there you would then move forward However in God s mind or from His perspective it began before the foundation of the world Ephesians 1 4 says even as he chose us in him before the foundation of the world that we should be holy and blameless before him in love Before Genesis 1 God had the plan of redemption already formulated This means that God planned this in eternity past Before in the beginning God existed and planned our redemption So when God was all that there was the history of redemption began That may be hard for us to fathom because we cannot think in terms of eternity Unlike God we are constrained by time The fact remains that God planned our redemption through His Son Jesus Christ before the world was even created It was not a second option it was the original plan from the start We may not understand it all but we can gain glimpses of it throughout the revealed Word of God which is itself a story of redemption that spans from creation to re creation i e Genesis 1 2 to Revelation 21 22 Some of you may already be jumping ahead of me and asking Why would God create the world if He knew that one day He would have to redeem it Could He not foresee what would go wrong and prevent that from happening so that creation would remain good and not need to be redeemed Those questions are very important In our study of the history of redemption these questions will only be dealt with briefly and they will have to wait until later There is no need to get ahead of ourselves just yet But to satisfy the question for the time being I

will give you the main reason which will be the only reason addressed in this particular study that God chose to create a world that He knew would fall into sin and need to be redeemed from it It is for His glory and I hope as we progress in our study that you will see how that statement is definitely true The study of the history of redemption has interested me for a long time now I have preached on the subject as an overview and taught on it in detail But I wanted more I wanted to go even more in depth on this subject and that is what I intend to do here Before we begin I want to explain what we will be doing We are not going to cover every aspect of redemption in Scripture because that would cover the whole Bible For instance the Book of Hosea is full of rich illustrations of redemption but we will not cover it in this study So this is not an all inclusive look at redemption it is a study of the highlights It would take a volume much larger than this probably multiple volumes to truly give the history of redemption the study it deserves We will start with the creation account Since God's plan came to fruition before the foundation of the world then it makes sense that we start at the creation event in our study of the history of redemption We will end with Christ who is the completion of God's plan for redemption I hope you enjoy this study and I pray that God uses it to draw you closer to Him

God's Plan of Redemption Mary E. McDonough,1926 **Jesus and His Role in God's Plan of Redemption for the Human Race** Abigale Messynger,2025-05-28 The birth ministry death and resurrection of Christ Jesus was not random it was all pre planned by God Every aspect of the plan was executed at the set place and at the set time according to God's divine plan When Jesus uttered his last words It is finished he meant that his mission God's Plan was accomplished **God's Plan of Redemption** Mary E. McDonough,1926 *End Time Look at God's Redemption Plan, An* Lynette Carrington-Cox, Every now and then a new book is released and people stand in long lines with great anticipation some even camp outside the bookstore overnight waiting to purchase a copy Television news sometimes captures the pictures of people pushing and shoving into the stores to get their hands on that book and within a few days they have read every line As I look at these lines of people I have often thought Now what book could get me so excited that I would stand in line for hours to get a copy and then lose sleep trying to read every word It would have to be a book filled with essential long lasting lifesaving information Its author has to be lovable and all knowing and the information has to be crucial to my existence now and in the future Then the thought flashes through my mind there is such a book available free for the asking but there are no long lines of eager excited people waiting to get their hands on it Is it possible that most people really do not know what is in this book This book is none other than the Bible The Bible is the most important book that has been written and the most important book that we will ever read This book reveals the history of God's plan of redemption
