the third in a series of books that emphasize time is running out for this world as we know it Jesus is coming back soon However the author wanted to go further and encourage Christians who find themselves watching for the Lords return He does this by stressing the fact that all born again Christians are going to be residing in New Jerusalem someday with their savior Jesus Christ *Mather'S Theological Compendium* Dennis Mather,2014-03-31 These are exciting times to be living in It is just before Jesus Christ returns to be the King of kings and Lord of lords There are many signs that point to this and I discuss a few of them in this book Im not going to tell you when this happens because Jesus didn t know when he was here on earth He said it was not for us to know But Im sure He knows now as He sits at the right hand of God the Father One of the ways we know that the time is near is that knowledge has increased dramatically in the last fifty years Ultimately it all points to God as the creator of the universe We have the internet to dispense our knowledge and it is pretty much worldwide This is one of the ways that an imposter known as the Anti Christ will take over a worldwide government that has been established and set up his own regime Everyone will know this is their leader because it will be broadcast by satellite My advice is to read this book to decipher what the Bible says about these exciting times we are living in As one of my favorite contemporary Christian music groups Whiteheart said in the title of one of their albums Read the book dont wait for the movie **The Clarity of Scripture** James Callahan,2020-08-31 IS SCRIPTURE CLEAR IF IT IS WHY DO PORTIONS OF IT SEEM SO OBSCURE IF IT ISN T WHY HAVE THEOLOGIANs SPENT SO MUCH TIME DEFENDING THE NOTION OF ITS CLARITY AND MORE IMPORTANT ARE CHRISTIANs ENGAGED IN A FUTILE EFFORT IN TRYING TO READ AND UNDERSTAND IT JAMES CALLAHAN OFFERS VALUABLE INSIGHT INTO THE COMPLEX NOTION of biblical perspicuity He sets the issues within the history of the church and traces how the Bible s clarity has been understood practically and theologically over time With precision and care he clarifies the role of historical context authorial intent and reader response in a constructive articulation of how we come to understand Scripture s meaning Contemporary literary studies inform his discussion and suggest the importance of intertextuality and intratextuality in the reading of Scripture Ultimately Callahan argues Scripture must be viewed as a privileged text within a privileged community Nevertheless it must be read not arrogantly but with humility under the searching glance of the God who caused it to be written Are Those Your Real Feet? Mark Mahurin,2018-09-27 Are those your real feet The question assumes that one has been provided with the essential equipment for walkingthat is feet Although one s feet may not be the most beautiful part of the human anatomy their importance cannot be minimized since if I am to walk I need feet Walking implies that progress is to be expected and a goal is to be obtained and experienced The follower of Jesus must deal with the challenge of transparency and transformation How can I be real with God and recognize the areas in my life that require adjustment in order to align to His purpose and plan for my life If we are to reach the goal God has determined for each of us we must be willing to expose our hearts to Him and submit to the process He has designed to accomplish the needed transformation Jesus is the archetype the pattern to which all of us are to

be conformed Every believer is on this journey toward Christlikeness Hopefully the observations in this book may assist you on your journey

The Fall of Interpretation James K. A. Smith,2012-04 One of the most engaging and innovative Christian scholars of our day provides an updated interaction with contemporary hermeneutical discussions *Distorting Scripture?* Mark L.
