Pain Through a Child's Eyes Joyce Turner, 2011-02-07 This book is based on a true story of the life of a child who became the victim of cruel circumstances that led to years of rejection pain heartache and abuse Her blue eyes saw more in her young life than most see in a lifetime She felt she would always be a product of her past and could never see any way to a brighter future Shame and disgrace had taken a toll in her young life heart and soul She had lost all hope from the pain and struggles at such a tender young age that she contemplated suicide on many occasions Her life seemed to be spiraling down a slippery slope of no return Each day she stared in a mirror at a pale reflection of emptiness that gave her no reason to live or have hope for a brighter tomorrow Her heart wrenching home situation of abuse lack of love insecurity and turmoil drove her into a deep anger that almost destroyed her life Her world was shaken and turned upside down and she felt there was no one she could turn to for help or advice Yet something deep inside continually nudged her along the way to continue her fight for survival It took an extreme amount of energy to push the mess of life and the tears of rejection and abuse out of sight in order to maintain her sanity The longing in Joyces tender heart for a better tomorrow was a driving force that would keep her from abandoning all hope Pain Through A Child's Eyes is a story that will touch the very core of your heart and bring tears to your eyes as you feel in your own heart the pain her blue eyes and heart

Darlene House,2012-06-30 The author was raised in the San Fernando Valley of Southern California when the Valley was a wide open area of orange groves homes and estates The large estates were owned by the movie stars such as Roy Rogers and other stars in their heyday After marriage my husband and I desired to raise our family in a country atmosphere with a minuscule population We sold our first home in the valley in order to move to the tiny town of Acton in the mountainous countryside sixty miles north of Los Angeles The time line of book is 1928 to 2011 with many odd happening in our lives and unusual memories and pleasant days in the country We cleared the land put down a well and built our home ourselves and raised a family of four children Upon completion of the house it was necessary to move the home if we wished to continue living in it It was a new home and yes we wanted it but this proved to be frightening experience and a near tragic disaster This is only one of the many unusual happenings in our life in the country Unwanted animals are freely given to people who live in the country from friends In this manner we acquired a burro that soon gave birth to a strong baby burro on its first day of birth kicked our young son and knocked him down several dogs a beautiful horse and another burro Life in the country was always surprising and a pleasant place to raise a family sometimes difficult but nice We knew friends in a circle of twenty miles in every direction Our two sons still live in Acton our daughters have moved to the beach cities in California

Reflections of a Regular Guy: A Memoir of Love, Resilience, and Happiness Mike Gardner,2025-04-30 In the game of life it helps to have a good but flexible game

plan especially when you're behind. We all have stories about our lives. Some wonderful. Some tragic. But we all have something else in common. However long or short, the periods of smooth sailing are, you know, the ones perhaps hidden away between the periods of turbulence. They're just waiting to burst out at any time. This regular guy takes the regular reader along the ups and downs of his own life's journey with touching, sometimes humorous anecdotes and shares some simple ideas on how to increase one's happiness, stressing the importance of family and friends, continual self-assessment, and the ability to adapt one's mind set along the way. He then challenges readers to go beyond mere reflection and to share their own stories with others. After all, this is a memoir about looking back and moving forward together. *Mother's Day* P. Miguel Richards, 2020-04-03. Life was fine for Xavier, a man with a wife and a couple of little ones, excited to celebrate his wedding anniversary. X's marriage was great but not without its share of ups and downs. An unexpected turn of events and a life-altering conversation on Mother's Day is about to send X reeling. Mother's Day is a story about family, faith, and perspective that will have you reassessing your own first-world problems. How Xavier manages a challenging season in his life will require him to appreciate his wife for the soldier she is, respect the fact that sometimes people are who they are, and recognize when the Lord is speaking to him. The man with the carefully planned life will find that perhaps he's been looking at things all wrong. *Gemmy's Dreams* K.L. Smith, 2019-03-15. Gemmy's Dreams is a fictional novel that tells of a family's day-to-day life on a small farm in eastern North Carolina. It is the third book in a series about the Lister family. Gemmy's Dreams continues the story where the second book, *Life on Heartsville Farm*, ends. The Listers have established a good life in the rural community of Heartsville. They have found a community that has accepted them without prejudices. The story unfolds in the mid-1950s and is told mostly through the eyes of one of the young Lister girls. Complications of family dynamics continue to place roadblocks in their lives that must be resolved, altered, or accepted. Gemmy and four of the Lister children are rejected by their paternal grandmother because they are part Cherokee. The paternal grandmother is from the Tuscarora tribe and considers the Cherokee tribe as inferior and enemies of her people. The Listers rely on faith and God's promises to navigate through the life that God has given them. Detailed are how the people that God places in the children's lives work to fill the void left by relatives that refuse to accept the Lister children. The children choose people to fill some of the holes in their hearts left by the lack of interest of others. Highlighted are the people that cross paths with the family. Gemmy has a history of having prophetic dreams that come to fruition. Gemmy considers these dreams a blessing when a good future is predicted. She considers them a curse when the dreams foretell of sadness or misfortune. These dreams cause Gemmy a great deal of stress as she watches them fulfill in her life and the lives of her family members. The Listers seek God's strength and guidance to lead them through their hardships and struggles. Deaths, family illnesses, and hurricane damages threaten to destroy the family's life on the farm. They have loving and supportive friends and neighbors that help them through their challenges. The Lister children learn that knowing how not to act is just as important as knowing how to act. **Clay in the**
