

A photograph of a winding asphalt road in a forested area. The road curves from the bottom left towards the right. In the background, there are tall evergreen trees and distant mountains under a blue sky with some clouds. A yellow guardrail is visible in the foreground. The title 'Gone Crazy Out There' is overlaid in large white serif font on the right side of the image.

The Burn Zone James K. Decker, 2013-02-05 Plagued by overpopulation disease and starvation humanity was headed for extinction until an alien race called the haan arrived And then the real trouble began It's been a rough day for Sam Shao As part of a program that requires humans to act as surrogates to haan infants Sam has been genetically enhanced to bond with them So when three soldiers invade her apartment and arrest her guardian for smuggling a dangerous weapon into the country Sam can sense that something isn't right One of his abductors is a haan masquerading as a human and the supposedly fragile haan seems to be anything but Racing through the city slums trying to stay one step ahead of the mysterious haan soldier Sam tries to find the man who in her twenty years has been the only father she's ever known Could he truly have done what he is accused of Or did he witness something both human and haan would kill to keep hidden The only thing certain is that the weapon is real and lost now somewhere in a city of millions Fighting the clock Sam finds an ally in Nix a haan envoy devoted to coexisting with humans or so it seems But what she really needs are answers Fast Or else everything she knows and everyone she loves will burn
