Literature for Young Adults Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly

familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Taking the Lead on Adolescent Literacy Judith Irvin, Julie Meltzer, Nancy Dean, Martha Jan Mickler, 2010-02-26 This rich resource walks middle and high school literacy leaders through a comprehensive process for conceptualizing initiating and most important sustaining a schoolwide literacy learning program The authors clearly know teachers and schools and their reality tested tools will prove invaluable in guiding and supporting middle and high school literacy leaders Doug Buehl Author Classroom Strategies for Interactive Learning A systemic and sustainable approach for improving adolescent literacy and learning Taking the Lead on Adolescent Literacy provides educational leaders with a user friendly and comprehensive planning process for developing a new literacy initiative or for dramatically enhancing a current plan that has the power not only to raise student performance levels but also to positively impact graduation rates employability and higher education success Using a five stage framework that has been field tested nationwide for more than a decade the authors provide an array of resources to guide in depth planning implementation and monitoring to ensure sustained results supported by examples from literacy rich schools checklists and assessments and a glossary of terms Each stage in the process builds upon a school or district's existing capacities and focuses on six detailed rubrics that can be implemented at every stage to help ensure long term success Student motivation and engagement Literacy across the content areas Literacy interventions Literacy rich environment policies and culture Parent and community involvement District support of school based efforts Helping educators build the critical skills in students for communicating and making meaning within an increasingly complex world this book shows how a sustained focus on literacy can serve as a powerful lever for school improvement Libraries, Literacy, and African American Youth Sandra Hughes-Hassell, Pauletta Brown Bracy, Casey H. Rawson, 2016-10-31 This important book is a call to action for the library community to address the literacy and life outcome gaps impacting African American youth It provides strategies that enable school and public librarians to transform their services programs and collections to be more responsive to the literacy strengths experiences and needs of African American youth According to National Assessment of Educational Progress NEAP only 18 percent of African American fourth graders and 17 percent of African American eighth graders performed at or above proficiency in reading in 2013 This book draws on research from various academic fields to explore the issues surrounding African American literacy and to aid in developing culturally responsive school and library programs with the goal of helping to close the achievement gap and improve the quality of life for African American youth The book merges the work of its three authors along with the findings of other researchers and practitioners highlighting exemplary programs such as the award winning Pearl Bailey Library Program the Maker Jawn initiative at the Free Library of Philadelphia and the Blue Ribbon Mentor Advocate writing institute in the Chapel Hill

Carrboro City Schools among others Readers will understand how these culturally responsive programs put theory and research based best practices into local action and see how to adapt them to meet the needs of their communities

Talking through Reading and Writing Daniel Rose,Christine Walsh,2020-11-11 In this book you will read many examples of rich literacy conversations between a teacher and his 8th grade students that never would have occurred face to face in the classroom These conversations take place online when 8th graders write to their teacher about the books they re interested in reading and choosing to read independently Students write about what happens when they read or don t read how they feel about reading how they re connecting with characters and ideas why they don t have enough time to read and what their reading goals are And their teacher writes back to them Every week After each conversation you will read some meta talk that shines a light on what the conversation has taught us about this language learner and how this data is informing our beliefs and practices Embedded within the chapters are suggested resources articles book recommendations links websites blogs etc you can follow should you want to read more in that chapter What these students reveal about their own literacy development their successes their challenges their lives and how their teacher nudges them along socially emotionally and academically teach us the value and power of one practical authentic literacy tool the Reading Conversation Journal
