Good Restaurant Names That Havent Been Used:

To Have and Have Not Ernest Hemingway, 2002-07-25 From one of the best writers in American literature a classic novel about smuggling intrigue and love To Have and Have Not is the dramatic story of Harry Morgan an honest man who is forced into running contraband between Cuba and Key West as a means of keeping his crumbling family financially afloat His adventures lead him into the world of the wealthy and dissipated yachtsmen who throng the region and involve him in a strange and unlikely love affair In this harshly realistic yet oddly tender and wise novel Hemingway perceptively delineates the personal struggles of both the haves and the have nots and creates one of the most subtle and moving portraits of a love affair in his oeuvre By turns funny and tragic lively and poetic remarkable in its emotional impact To Have and Have Not is literary high adventure at its finest
