Jesus and John Wayne Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The paradigm influencing book Christianity Today that is fundamentally transforming our understanding of white evangelicalism in America Jesus and John Wayne is a sweeping revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today s evangelicals might not be theologically astute but they know their VeggieTales they ve read John Eldredge s Wild at Heart and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical

principles modern white evangelicals have remade their faith with enduring consequences for all Americans **Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty** Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies The Chronicles of Narnia Francine Rivers s Redeeming Love Jan Karon s Mitford novels Left Behind the films of the Sherwood Baptist Church and Duck Dynasty uncover both harmful stereotypes and Christians serving as leaders in social justice **unPHILtered** Phil Robertson, 2014-09-02 The beloved patriarch of A family how he raised his kids and is raising grandkids while teaching them the life principles he lives by ducks and the business principles that started the Duck Commander empire marriage including what he s learned from his own marriage and of course his opinions on controversial topics like gun control taxes prayer in school and the government unPHILtered is the ultimate guide to everything Phil Robertson believes in Balancing his sometimes off the wall comments with his strong focus on home and family life it is sure to spark discussion laughs and a sincere appreciation for Phil s unique approach to life **The Women of Duck Commander** Kay Robertson, Korie Robertson, Missy Robertson, Jessica Robertson, Lisa Robertson, 2014-04-01 The wives of the Robertsons all came into the family the same way they fell in love with one of the Robertson boys Now learn surprising insights about the women behind these famous bearded men and what makes their family work In the Duck Dynasty TV series the women often come into their own when the whole family gathers around the table together to eat dinner and fans of the show get a good glimpse into their lives but that is hardly the whole story which is why they decided to write this book In The Women of Duck Commander the wives show how they have worked together to help one another and to support the family in all its work and its happiness They are committed to timeless values and in the book they share the insights stories and experiences that have made them who they are The appeal of the Duck Dynasty comes not because they are showing us anything new but they are reminding us of the values our culture is in danger of losing **Mountain Man** Tim Guraedy, 2014-10-31 How fast is your life moving Do you ever wish you could slow it down Ever wish you had a few more hours in the day so you could get everything done you need to get finished **West of God** Larry West, 2020-10-27 There ain t no mourners on Boot Hill Humorous frank painful overcoming revealing just a few ingredients in this tale of one man s journey into victorious living The Good The Bad and The Ugly are three distinct sections in this author s life but they all come together in the fourth showing God s magnificent power Hit the floor says the author then stand up and get ready to fly For God brings you out of your darkest cave and onto the

center stage of lights all for the accomplishing of his eternal purpose This book is for you if you need hope of conquering another s bullying instructions for winning over codependency and depression more proof God is standing by and ready to make you a winner or a jolt to conquer complaining and start encouraging It s the fire that will ignite new choices and make you too an overcomer Larry West is the author public speaker radio personality and Christian leader of an evangelism movement called We Care Ministries He is the father of Missy Robertson of A E s successful reality show Duck Dynasty It s all a matter of better choices says the author Each must choose **Man Up with God** Brian E. Sherwood,2022-03-16 What the world needs now more than ever is men filled with their Heavenly Father His Son Jesus and the Holy Spirit We are meant to be strong men men of great character and Spirit filled men who rely on God Jesus Christ and the Holy Spirit every minute of every day so that we can live a life as powerful and humble sons of God As you come to Christ your enemy is not a human but that of Satan Satan and his demons will do their best to get inside of you or infiltrate you in any way they can through disease s in the body and through mental illness twisting the truth or lying or doing anything possible to take away your focus on God This book is about achieving unbreakable faith It goes into deep detail sharing my process and strategy I am using in achieving unbreakable faith in the Heavenly Father God and a more in depth look at how that is and what you have to do to ensure you get the strongest foundation possible so that you can know God is a good God and that He is the truth the way and the light Make sure your life counts by becoming the son of God that He created you to be Do this for yourself for your family and for all of your descendants You will be leaving a lasting legacy **The Quotable Southerner** Polly Powers Stramm,2020-01-01 Southerners have always had something to say Focusing on the unique qualities of both the landscape and people Quotable Southerner showcases the linguistic insight of the region s native and adopted sons and daughters Sometimes insightful sometimes hilarious these quotes will have readers smiling laughing and shaking their heads *Jesus e John Wayne* Kristin Kobes Du Mez,2022-09-15 O LIVRO DE DU MEZ URGENTE E NECESSÁRIO NO BRASIL ESTA OBRA MARAVILHOSA EXIGE CURIOSIDADE E HUMILDADE RONILSO PACHECO Jesus e John Wayne uma análise histórica contundente e desconcertante que revisita os últimos 75 anos do evangelicalismo branco estadunidense definiu o que extrapola qualquer autodeclaração que leve em conta a cor da pele indicando a adesão a um conjunto de ideologias e revela como os cristãos têm substituído o humilde Jesus dos Evangelhos por dolos de masculinidade autoritária e pelo nacionalismo cristão Para a aclamada historiadora Kristin Kobes Du Mez o segredo para compreender essa inversão reconhecer a centralidade da cultura popular no evangelicalismo dos Estados Unidos Muitos dos evangélicos de hoje podem não ser teologicamente instruídos mas foram influenciados por uma cultura que idealiza a masculinidade agressiva e militante tipo simbolizado por John Wayne cone hollywoodiano de um tempo em que os homens não se deixavam intimidar pelo politicamente correto Como argumenta Du Mez tal cultura culminou na defesa de valores que traem o cristianismo como o patriarcado o governo autoritário uma política externa agressiva a intolerância e o racismo Um reexame necessário de uma das mais influentes subculturas dos Estados

Unidos Jesus e John Wayne mostra que longe de abraçar princípios bíblicos os evangélicos adeptos dessas ideologias recriaram sua f gerando consequências duradouras para toda uma tradição Os insights oferecidos por Du Mez certamente nos fazem olhar com ainda mais zelo para o cristianismo vivido e pregado também no contexto brasileiro **Good Call** Jase Robertson, 2014-05-06 The straight faced funny man of Duck Dynasty has a real story to tell Not a repeat of the previous Robertson family books Jase surprises fans who love him for his dry humor and brotherly rivalry as he opens up about his personal family life his childhood days with a drunken father and how he came to faith The closer we look at the Robertson family the more we discover the substance and authenticity below the surface of these well known TV characters In this enlightening book Jase Robertson gives us a deep look behind his funnyman exterior In addition to stories of life in the Robertson family and epic tales of hunting of all kinds readers will get an inside look at Jase's personal faith in the Creator of the outdoors he so dearly loves My first thoughts about God came in a duck blind as I gazed upon the diversity and beauty of creation There is nothing in nature that can be reproduced or equaled by humans None of our computers microchips or cell phones can duplicate what God has put forth Viewing the details of this magnificent earth is better than any sermon from any preacher I have heard about the evidence of God More than a behind the scenes look at this beloved Duck Dynasty character readers will be inspired and encouraged to implement Jase's good call reflections on faith family and fowl into their own lives
