How Can You Become the Boss? Mary Ann Jacobs, Remigia Kushner, 2017-07-17 How Can You Become the Boss traces the trajectory of knowledge skills and disposition beginning with the ones needed to lead oneself through to leading others to develop the knowledge skills and dispositions to lead themselves and ultimately using that

knowledge those skills and dispositions for leading an organization to transformation The goal is being able to lead a party of one before assuming that one can lead others Leading an organization means transformation into more of what the organization was intended to be by its vision and mission Leaders develop a personal vision and mission use the 168 hours a week that everyone has to produce a result hold a problem solving frame of mind cultivate a desire to learn and productively use self talk Ultimately these leaders foster a team approach through a culture of participation They regard leadership as an action rather than a position They see the future of leadership as collective lateral and integral and work with others from an abundance mentality These leaders move forward in learning using neuroscience findings to promote actions grounded in brain research and assuming responsibility as a way of being for the organization One Step Closer CJ Plogger, 2016-12-31

A journey is a collaboration and culmination of many steps Sometimes our steps move us forward or backwards Sometimes we take steps to the left or to the right Our goal should be that our steps move us toward a definite destination We hope that our steps are taking us nearer to that which will make us stronger better or even be greater people As our steps are crucial our end point is as well If we want to have the life that God has in store for us we need to be walking toward Him daily God has a life of peace and joy for us Not problem free but one of peace Not without tribulations or trouble but one of triumph In order for us to possess this life God has to be our end destination He has to be the one that we are focusing on and He has to be the one that we are depending upon In order for us to grow in the Lord and step closer to Him we must be intentional It would be wonderful if we could just wake up and be spiritually stronger than we have ever been before But that is not reality We must be systematic and strategic if we are going to grow in the Lord This book will help and lead you to grow spiritually Jesus said If we are to follow Him we are to take up our cross daily One Step Closer is a tool that will not only strengthen us now it will impact our eternity **Leadership Gold** John C.
