questions We know the real estate licensing exam can be tough and very nerve wracking to prepare for That s why we
created the North Carolina Real Estate License Exam Prep NC RELEP the way we did Since we have been managing real
estate schools and developing curriculum for forty years we know how all this works or fails to work NC RELEP is
comprehensive in that it contains both key content review and testing practice And the text review is North Carolina specific
not just simplistic national content but terse relevant and accurate North Carolina laws and regulations presented as a well
organized set of state key point reviews ideal for pre test memorization But let s not dismiss the importance of the national
content either NC RELEP s national key point reviews are a succinct compression of tested national principles and practices
that comprise the national portion of state license exams from coast to coast Our content is drawn from our own national
textbook *Principles of Real Estate Practice* one of the most widely used principles textbooks in the country Finally our
national content as well as our question selection is further tailored to the state testing outline promulgated by Pearson Vue
for North Carolina Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state s
testing service and your North Carolina license exam A word about the test questions NC RELEP s testing practice section
consists of ten national practice tests three state practice tests and one state exam sample test The practice tests are roughly
50 questions in length and the sample test is 105 questions The test questions are designed to cover the content covered by
the law reviews which reinforces your learning of the total body of information tested by your state exam The questions are
direct to the point and designed to test your understanding When you have completed a given test you can check your
answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief
explanation or rationale to further reinforce your understanding In the end as you know it s all up to you Unlike other
publications we are not going to tell you that using this book will guarantee that you pass your state exam It still takes hard
work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the
best of success in taking and passing your North Carolina real estate exam So good luck Note For North Carolina students
