**BOOK 1 Digital Photography 23 Pro Tips to Dramatic Digital Photos**

The digital revolution has affected every area of our lives, and photography is no exception. It's claimed that today anybody can create great dramatic digital images with little or no effort. However, this claim ignores the fact that art, skill, talent, and sheer hard work are all still required to become a great photographer. If you've ever wondered why your images lack that certain something despite using high quality digital technology, then this book is for you.

**BOOK 2 Digital Photography Experimenting Aperture Shutter Speed ISO and Exposure**

Photography affords us the opportunity to be creative and get outside ourselves every time we take off the lens cap and pull the camera out of its bag. Unfortunately, if you only take pictures with the automatic settings on your camera, you will never use the camera to its full potential, and you will never achieve the kind of pictures you are capable of creating.
