Studebaker, 2012-12-19 In *From Pentecost to the Triune God* Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology *From Pentecost to the Triune God* also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation *Transforming Presence* Daniel Henderson, 2018-06-05 Does God sometimes feel far off Do you have a hard time motivating yourself to get into the Word Are you trying to conquer old sins but feeling defeated If so you're not alone But the secret to spiritual thriving isn't about trying harder You need supernatural help That's why God sent a Helper The church faces problems today because it misunderstands the Holy Spirit We think of Him as a force rather than a person And we look for a manifestation of the Holy Spirit in an Old Testament way instead of the New Testament way God designed for us Through over twenty years of studying church renewal Daniel Henderson has discovered 10 practices that lead to individuals and entire churches having a right relationship with the Holy Spirit and experiencing the kind of inside out renewal that can only come from God Stop relying on your natural effort that can only lead to natural results seek supernatural change Find out how the Holy Spirit can transform you and your church today Christ-Centered Biblical Counseling Bob Kelleman, Stephen Viars, 2020-05-12 Master the essentials of effective biblical counseling *Christ-Centered Biblical Counseling* is a comprehensive resource that will help you understand how to minister from God's truth to change lives With the cumulative wisdom of almost 40 contributors with exceptional credentials and experience you'll discover a valuable model for counseling that explains The Why of Biblical Counseling Why the Bible is sufficient and relevant for addressing every issue we face Why biblical counseling is so effective in helping people face life's struggles in Christ's strength The How of Biblical Counseling How you can lead struggling hurting people to the hope and strength available only in Christ How to counsel in a way that is Christ-centered and God-glorifying Every chapter provides a wonderful blend of theological wisdom and practical expertise and is written to

The Role Of The Holy Spirit In Worship H. Eugene Soulsby, 2019-12-02 Christianity does not deny the Holy Spirit's existence and most Christians would confess they believe in the Spirit at least with their head and creed But few experience him in their daily walk or have a biblical understanding of who he is why he came and what his role is in the Christian life The Holy Spirit is a living presence a person and as such must be experienced not neglected within the church and the individual believer The crucial role of the Spirit in Paul's life thinking and theology was always that of the personal presence of God As a Christian a believing follower of Christ the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God

The Holy Spirit and the Renewal of All Things T. David Beck, 2007-04-15 This volume explores the shape pneumatology takes when we develop the theology of the Holy Spirit within an eschatological framework that has a universal scope and an unlimited history When we do so we find that pneumatology deriving from questions about what the Spirit does for us needs to give way to pneumatology that derives from questions about how the Spirit can draw us into the saving history of the triune God
