The Gospel According to Saint Paul (Classic Reprint) William Porcher Dubose, 2018-03-24 Excerpt from The Gospel According to Saint Paul IN advocating and pressing any particular point of View one is inevitably liable to press it unduly and at the expense of other points of View In the quest of truth this danger ought not to be too much of a deterrent to either freedom of thought or boldness of expression The ultimate aim of each one of us should be not to save ourselves from error but to advance the truth We may safely rely upon it that our truth will in the end be accepted and our error corrected If I had been too much afraid of going wrong I should have made no progress in growing right who of us that has really thought or spoken may not say that of himself For my own part I have not merely traditionally believed but become personally convinced that there is a truth of the Scriptures and that there is a mind of the Church and that each of these will take care of itself as against the infinite errors and vagaries of individual thinkers and writers I have in my mind not only an implicit faith but a rational science or philosophy of these things which at least satisfies myself and gives me security and rest from the fear About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Gospel According to Saint Mark (Classic Reprint) Robert Eaton, 2018-02-14 Excerpt from The Gospel According to Saint Mark The house apparently was a large one capable of holding at least a considerable section of the Christian community and tradition tells us that St Mark's family was fairly wealthy Evidently St Mark was already a person of some importance in the Christian community and this early connection with St Peter is not without its force and meaning That St Peter received St Mark into the Church is gathered from the fact that in his first Epistle 1 Pet V 13 he speaks of him as my son Mark for such is the ordinary usage of Holy Scripture ep I Cor IV 2 Cor VI 13 Gal IV 19 1 Tim I 2 1 Jn I 1 He is mentioned altogether eight times in the New Testament Acts XII 25 XV 37 39 C01 IV 10 Philem 24 2 Tim IV 11 1 Pet V Some have thought that he is the man carrying a pitcher of water Mk XIV Who met the two disciples on their way to prepare the Pasch for our Lord About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Pastor's Library Robert

A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies [The Gospel According to St. John](#) Henry William

Clark, 1908 [The Gospel According to St. Matthew](#), 1908 [The Origins of the Gospel According to St. Matthew](#) George Dunbar Kilpatrick, 2007 **The Classical Review**, 1910 This companion to the *Classical Quarterly* contains reviews of new work dealing with the literatures and civilizations of ancient Greece and Rome Over 300 books are reviewed each year

[The Gospel According to St. John \(Classic Reprint\)](#), 2018-03-13 Excerpt from *The Gospel According to St John* How far does the Fourth Gospel contain a credible record concerning the historic Jesus Christ This is the cardinal question on which a critical view Of the Fourth Gospel must hinge The living interest which Christian theology takes in a problem of literary criticism like this Johannine Problem is rooted in the desire of Christendom for the fullest and most exact knowledge possible of the historic life and ministry of Jesus Even if the Fourth Gospel contains no trustworthy records of the history of Jesus or if the possible elements of sound tradition in it cannot be clearly distinguished from the untrustworthy matter around them it must still retain a high historic value as a precious document Of sub apostolic Christianity it retains its value for the soul as a treasury of the deepest Christian thought and meditation But it loses in that case the highest historic value of all which would attach to an authentic document concerning the history Of Jesus Himself an authentic record of Jesus own words About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Gospel According to St. Mark (Classic Reprint)** George Alexander Chadwick, 2015-07-06

Excerpt from *The Gospel According to St Mark* The beginning of the gospel of Jesus Christ the Son of God Even as it is written in Isaiah the prophet Behold I send My messenger before Thy face who shall prepare Thy way The voice of one crying in the wilderness Make ye ready the way of the Lord Make His paths straight John came who baptized in the wilderness and preached the baptism of repentance unto remission of sins And there went out unto him all the country of Judaea and all they of Jerusalem and they were baptized of him in the river Jordan confessing their sins And John was clothed with camel's hair and had a leathern girdle about his loins and did eat locusts and wild honey Mark i 1 6 R V The opening of St Mark's Gospel

is energetic and full of character St Matthew traces for Jews the pedigree of their Messiah St Luke s worldwide sympathies linger with the maiden who bore Jesus and the village of His boyhood and St John s theology proclaims the Divine origin of the Eternal Lord But St Mark trusts the public acts of the Mighty Worker to do for the reader what they did for those who first beheld His glory How He came to earth can safely be left untold what He was will appear by what He wrought It is enough to record with matchless vividness the toils the energy the love and wrath the defeat and triumph of the brief career which changed the world It will prove itself to be the career of the Son of God In so deciding he followed the example of the Apostolic teaching About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
