

An open Bible lies flat on a dark wooden surface. The pages are aged and yellowed, with some text visible. In the background, a large, glowing white cross is centered against a dark, textured wall. The cross has a soft, ethereal glow. The text 'End Times Bible Study' is overlaid on the Bible in a white, cursive font with a black outline. The words 'End Times' are on the top line, and 'Bible Study' is on the bottom line, both centered over the open pages.

Gospel Revolution End Times Bible Study:

Antichrist Osiris: the History of the Luciferian Conspiracy Chris Relitz, 2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah s Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah s days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy End Times R. Paul Stevens, 2012-05-03 As R Paul Stevens leads you to examine for yourself what the Bible says about end times you ll learn what you can do now to be ready for the future whatever it holds In this thirteen session LifeGuide Bible Study features additional questions for starting group discussions and for meeting God in personal reflection together with expanded leader s notes and a Now or Later section in each study

Revelation Revolution Dennis James Woods, 2020-12-05 The book of Revelation is the most mysterious and controversial book of the Bible Yet God intended that Christians be enriched by its enduring message Even though Revelation has a blessing for those who read it many believers still avoid this inspired book Could one reason be they have been taught that most of Revelation does not apply to Christians In this first volume of The End Time Apologetics Series the author challenges the pretribulation rapture position and uncovers how many Christians may not be prepared for prophetic events to come Although many promote pretrib as a fact in reality it s a theory that gained traction in America in the 19th century Further popularized after being published in an immensely popular reference bible pretrib quickly became the preferred rapture position As we see prophetic fulfillment happening in the Middle East and around the world the real question is What happens if the pretrib rapture theory is wrong How will Christians respond if the Church is not raptured before prophetic events occur Will history repeat itself Will there be a group of modern day Thessalonians whose faith will be shaken In this powerful book discover how facts concerning the Antichrist Angels and the Abyss are a game changer for the pretribulation rapture position Learn what effect it would have if the Holy Spirit is not the restrainer of Second Thessalonians See actual correspondence between the author and two of the most esteemed Dispensational scholars who made some surprising admissions about who s really restraining the Antichrist Will end time events actually turn out as portrayed in the Left Behind series Will Christians be prepared for the perilous times to come What could trigger the great falling away Be forewarned those who have ears let them hear what the Spirit says to Christians concerning the Antichrist Angels and the Abyss Encyclopedia of Fundamentalism: Volume 3 of Religion & Society Brenda Brasher, 2001-10-19 The Encyclopedia of

Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others

The End Times, Again? Martyn Whittock, 2021-10-15

From the Middle Eastern politics of Donald Trump to the UK's 2016 EU Referendum large numbers of Christians are making decisions based on the alleged end times aspects of modern politics Such apocalyptic views often operate beneath the radar of much Christian thought and expression In this book historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy Such believers are usually unaware that they stand in a long line of such well intended but failed predictions In this book Whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture When Christians ignore such past mistakes they are in danger of repeating them Jesus Whittock argues taught a different way

Armageddon's Glorious End David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible's final book will be a welcomed addition to anyone's personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation's mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve **Ezekiel and**

Eschatological Violence Alicia R. Jackson, 2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence **Adventures in Missing the Point** Brian D.
