Gossip Online Lanka:

The Tyranny of Writing Constanze Weth, Kasper Juffermans, 2018-01-25 This book examines the powerful role of writing in society The invention of writing independently at various places and times in history always stood at the cradle of powerful civilizations It is impossible to imagine modern life without writing As individuals and social groups we hold high expectations of its potential for societal and personal development Globally huge resources have been and are being invested in promoting literacy worldwide So what could possibly be tyrannical about writing The title is inspired by Ferdinand de Saussure's argument against writing as an object of linguistic research and what he called la tyrannie de la lettre His critique denounced writing as an imperfect distorted image of speech that obscures our view of language and its structure The chapters of the book written by experts in language and literacy studies go beyond this and explore tyrannical aspects of writing in society through history and around the world from Medieval Novgorod the European Renaissance and 19th century France and Germany over colonial Sudan to postcolonial Sri Lanka and Senegal and present day Hong Kong and Central China to the Netherlands and Spain The metaphor of tyranny of writing serves as a heuristic for exploring ideologies of language and literacy in culture and society and tensions and contradictions between the written and the spoken word

Militant Buddhism Peter Lehr, 2018-12-30 Against the backdrop of the ongoing Rohingya crisis this book takes a close and detailed look at the rise of militant Buddhism in Sri Lanka Burma and Thailand and especially at the issues of why and how around it We are well aware of Christian fundamentalism militant Judaism and Islamist Salafism Jihadism Extremist and violent Buddhism however features only rarely in book length studies on religion and political violence Somehow the very idea of Buddhist monks as the archetypal world renouncers exhorting frenzied mobs to commit acts of violence against perceived enemies of the religion seems to be outright ludicrous Recent events in Myanmar Burma but also in Thailand and Sri Lanka however indicate that a militant strand of Theravada Buddhism is on the rise How can this rise be explained and what role do monks play in that

regard These are the two broad questions that this book explores Child and Adolescent Mental Health Martin Henrik Maurer, 2017-05-24 In the present volume we collected state of the art chapters on diagnosis treatment and social implications The first section describes diagnostic processes It describes a reevaluation of projective techniques a new clinical tool in psychotraumatology the foundations of the framing technique and an overview on integrative approaches The second section focuses on new developments in the field with special emphasis on culture specific contexts From parenting of adolescents in India to the influence of poverty on mental health issues in Mexico as well as the use of marijuana and Internet addiction some of the most important fields are highlighted The third section concentrates on therapy It shows how to react to bullying and reviews the use of antidepressants in children and adolescents

Asian Perspectives on Workplace Bullying and Harassment Premilla D'Cruz, Ernesto Noronha, Avina Mendonca, 2021-08-10 This book showcases empirical studies on workplace bullying from a range of Asian countries including China India Indonesia Israel Japan Jordan Malaysia Pakistan Singapore South Korea Sri Lanka Thailand UAE and Vietnam and is the first of its kind single academic project documenting workplace emotional abuse

in the world's largest continent. It encompasses the varieties of workplace bullying conceptualization in addition to category-based harassment and abusive supervision and presents target, bystander, and interventionist perspectives along with contextualized insights into the phenomenon. The book speaks to the significance of sociocultural factors and draws on several theoretical and substantive bases including dignity, social cynicism, coping, gender, sexual orientation, job insecurity, turnover intention, affective events theory, attribution theory, regulation, and policy initiatives. Covering all major regions in Asia where workplace bullying has been found to occur—namely West Asia, South Asia, Southeast Asia, and East Asia—the book portrays studies which engage both positivist and postpositivist paradigms, utilize an array of methods, and include a range of industrial sectors and employment contracts and all levels of the organization. While focused on Asia, the book's insights have international relevance and are of interest to the worldwide community of researchers, practitioners, and students of organizational studies, human resource management, industrial sociology, work psychology, industrial relations, labour law, corporate law, health sciences, social work, and Asian studies.

The Virtual Rob Shields, 2005-06-27 This book looks at the origins and the many contemporary meanings of the virtual. Rob Shields shows how the construction of virtual worlds has a long history. He examines the many forms of faith and hysteria that have surrounded computer technologies in recent years. Moving beyond the technologies themselves, he shows how the virtual plays a role in our daily lives at every level. The virtual is also an essential concept needed to manage innovation and risk. It is real but not actual, ideal but not abstract. The virtual, he argues, has become one of the key organizing principles of contemporary society in the public realms of politics, business, and consumption, as well as in our private lives.

The Kazakh Spring Diana T. Kudaibergen, 2024-05-23 How can a de-institutionalised protest movement disrupt a solidified repressive and extremely resilient authoritarian regime? Using the context of the Kazakh Spring protests 2019, ongoing, Diana T. Kudaibergen focuses on how the interplay between a repressive regime and democratisation struggles define and shape each other. Combining original interview data, digital ethnography, and contentious politics studies, she argues that the new generation of activists, including Instagram political influencers and renowned public intellectuals, have been able to delegitimise and counter one of the most resilient authoritarian regimes and inspire mass protests that none of the formalised opposition ever imagined possible in Kazakhstan. The Kazakh Spring is the first book to detail the emergence of this political field of opportunities that allowed the possibility to rethink the political limits in Kazakhstan, essentially toppling the long-term dictator in unprecedented mass protests of the Bloody January 2022.

Startup Secrets from the Ramayana Prachi Garg, 2020-01-10 Ram was the next door go-to guy for any advice on business administration. A gold medalist from a premium management institute in the country, if there was any business-related problem in Ayodhya, Ram had an answer for it. Ayodhya was his proclaimed kingdom in business, in the grip of his palms, thanks to his loyal customers, family, and associates. It was a dream turning to reality. Until ambitions started overstretching, boundaries started melting, and favours became overpromising, Ram could not have imagined up until the big wave hit him.

that he would be so instantly betrayed and uprooted by those who he thought to be the closest Startup Secrets from the Ramayana is the story of Ram's struggle of setting up his business empire from scratch in a span of fourteen years. It took grit moving out of his comfort zone and re-establishing himself with a new identity removed from the hangover of the past. The stories are inspired from the Ramayana to capture the celebrated wisdom of the god.

The Company We Keep Divya Khanna, 2023-01-16 There are many challenges facing business corporations today: the pandemic we have barely moved on from, economic recession, rapid changes in consumer behaviour and technological and competitive disruptions. These challenges stick out like the visible tip of an iceberg while culture, the biggest challenge, is like the slow-moving gigantic mass that lurks deep under the surface. We cannot deal sufficiently with superficial problems if we do not understand the depths that drive them. Culture eats strategy for breakfast is a widely accepted saying in the business world, often attributed to Peter Drucker. This is as true for corporate India as it is for its consumers. Yet we spend more time and money studying our consumers and their cultures than we do ourselves. *The Company We Keep* is a market research-based exploration of Indian corporate culture. It looks beyond the glamour and jargon of the business world to individual stories that share real personal insights into the aspirations, vulnerabilities, pressures, and possibilities of corporate careers and lives. These are urgent conversations we need to keep having as we reflect, review, and decide where we can go from here.

Push Guide to Which University Johnny Rich, 2004-08 This popular guide has been fully updated and redesigned to reflect exactly what today's students want to know. It is the most accessible guide to higher education and student life in the UK and provides reliable, lively, and unbiased information on what universities really offer. The establishments are listed alphabetically, with each entry providing a wealth of information from a description of the campuses to famous alumni. A separate section supplies a list of courses and which universities offer them, making it easy for the reader to cross-reference their chosen course with the right university.

Distributed Computing and Networking Marcos K. Aguilera, Haifeng Yu, Nitin H. Vaidya, Vikram Srinivasan, Romit Roy Choudhury, 2011-01-10 This book constitutes the refereed proceedings of the 12th International Conference on Distributed Computing and Networking (ICDCN 2011) held in Bangalore, India, during January 2-5, 2011. The 31 revised full papers and 3 revised short papers presented together with 3 invited lectures were carefully reviewed and selected from 140 submissions. The papers address all current issues in the field of distributed computing and networking. Being a leading forum for researchers and practitioners to exchange ideas and share best practices, ICDCN also serves as a forum for PhD students to share their research ideas and get quality feedback from the well-renowned experts in the field.

Hospitality, 2002-02 *This Is Not Propaganda* Peter Pomerantsev, 2019-08-06 Learn how the perception of truth has been weaponized in modern politics with this insightful account of propaganda in Russia and beyond during the age of disinformation. *New York Times*: When information is a weapon, every opinion is an act of war. We live in a world of influence operations run amok where dark ads, psyops, hacks, bots, soft facts, ISIS, Putin trolls, and Trump seek to shape our

very reality In this surreal atmosphere created to disorient us and undermine our sense of truth we've lost not only our grip on peace and democracy but our very notion of what those words even mean Peter Pomerantsev takes us to the front lines of the disinformation age from Kiev to Manila where he meets Twitter revolutionaries and pop up populists behavioral change salesmen Jihadi fanboys Identitarians truth cops and many others Forty years after his Ukrainian dissident parents were pursued by the KGB Pomerantsev finds the Kremlin re-emerging as a great propaganda power His research takes him back to Russia but the answers he finds there are not what he expected Blending reportage family history and intellectual adventure This Is Not Propaganda explores how we can reimagine our politics and ourselves when reality seems to be coming apart
