Graveyard Poetry Eric Parisot, 2016-04-22 While immensely popular in the eighteenth century current critical wisdom regards graveyard poetry as a short lived fad with little lasting merit In the first book length study of this important poetic mode Eric Parisot suggests to the contrary that graveyard poetry is closely connected to the mid century aesthetic revision of poetics Graveyard poetry s contribution to this paradigm shift Parisot argues stems from changing religious practices and their increasing reliance on printed material to facilitate private devotion by way of affective and subjective response Coupling this perspective with graveyard poetry s obsessive preoccupation with death and salvation makes visible its importance as an articulation or negotiation between contemporary religious concerns and emerging aesthetics of poetic practice Parisot reads the poetry of Robert Blair Edward Young and Thomas Gray among others as a series of poetic experiments that attempt to accommodate changing religious and reading practices and translate religious concerns into parallel reconsiderations of poetic authority agency death and afterlife Making use of an impressive body of religious treatises sermons and verse that ground his study in a precise historical moment Parisot shows graveyard poetry s strong ties to seventeenth century devotional texts and most importantly its influential role in the development of late eighteenth century sentimentalism and Romanticism

American Twilight Kristopher Woofert, Will Dodson, 2021-06-01 Tobe Hooper s productions which often trespassed upon the safety of the family unit cast a critical eye toward an America in crisis Often dismissed by scholars and critics as a one hit wonder thanks to his 1974 horror classic The Texas Chain Saw Massacre Hooper nevertheless was instrumental in the development of a robust and deeply political horror genre from the 1960s until his death in 2017 In *American Twilight* the authors assert that the director was an auteur whose works featured complex monsters and disrupted

America's sacrosanct perceptions of prosperity and domestic security American Twilight focuses on the skepticism toward American institutions and media and the articulation of uncanny spaces so integral to Hooper's vast array of feature and documentary films made for television movies television episodes and music videos From Egg Shells 1969 to Poltergeist 1982 Djinn 2013 and even Billy Idol's music video for Dancing with Myself 1985 Tobe Hooper provided a singular directorial vision that investigated masculine anxiety and subverted the idea of American exceptionalism **The Encyclopedia of Fantastic Film**
