A History of English Literature (Classic Reprint) William Allan Neilson, 2017-10-21 Excerpt from A History of English Literature A manual has been prepared which discusses the general problems of teaching literature and supplies for each chapter a large amount of additional material and suggestions for the teacher This separate publication makes it possible to address every word in the textbook itself to the pupil Two suggestions to the teacher duly emphasized in the manual may be barely noted here First the teacher should give special aid to the pupil on the Opening chapters which survey periods remote and therefore difficult for the modern reader The first two chapters might well be studied in the class under the teacher's guidance Second the teacher should never separate the study of the textbook from the study of literature itself The book strives to guide the pupils to an interested reading of the best poetry and prose This should also be the chief aim of the teacher About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Dictionary of English Literature William Davenport Adams, 2015-07-03 Excerpt from *Dictionary of English Literature Being a Comprehensive Guide to English Authors and Their Works* Further the Noms de Plume assumed by literary men and women are given and explained many for the first time Familiar Quotations Phrases and Proverbs are entered in considerable numbers with distinct and accurate references to their original sources These are arranged so far as possible according to their first striking word a plan which has seemed to the Author the most useful and intelligible that

could be adopted Characters in Poetry and Fiction are largely indexed to an extent indeed not hitherto attempted and with the result it is believed that few of any importance are omitted Illustrative Quotations are frequently appended The most celebrated Poems Songs and Ballads are entered not only by their titles but by their First Lines which are frequently remembered when the titles are forgotten A feature of the Work is the introduction of references to Translations of the Works of prominent Foreign Writers of all times and countries Another feature is the insertion of notices of some of the most celebrated Libraries throughout the kingdom and of Societies connected with English Literature Space is also devoted to brief but it is hoped sufficient explanations of the various kinds of Literature such as Epics Odes Masques Mysteries and so on Finally Special Articles as exhaustive as their limits would permit have been introduced on such subjects as The Drama Newspapers Novels and Poetry with the view of enabling the reader to systematise if he please the varied information given in other portions of the work A work so comprehensive in aim necessitating the survey of so wide so inexhaustible a field can hardly be quite free from error Yet the Author would fain hope that no signal inaccuracy will be detected and while committing his pages to the consideration of the public he feels it due to himself to say that during the years occupied in the preparation of the work he has grudged no labour to make it worthy of the favourable reception he trusts it will obtain About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Guide to U.S. Government Serials & Periodicals John L. Andriot, 1971 **A Guide to the Best Fiction in English (Classic Reprint)** Ernest Albert Baker, 2017-05-23 Excerpt from A Guide to the Best Fiction in English Where American novels have been published in England with an altered title or English novels with an American title the spurious designation is quoted in the note The original titles Of foreign works of fiction are given in italics after the English title In most cases where they are not practically identical with the exception of Russian and other languages in which the transliteration of titles is not uniform and the information would be of tri ing value to the ordinary reader It is hoped that in this and other points a fair degree of accuracy has been attained but the possibilities of error in such a compilation as the present are innumerable and the writer can only trust that his faults Of omission and commission are not serious and that attention will be called thereto in order that they may be reduced in a future edition It should be noted that books published since 31st December 191 I do not come within his present purview About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original
