Sweet Surrender Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

Marriage and Violence Frances E. Dolan, 2010-11-24 Marriage is often described as a melding of two people into one But what or who must be lost fragmented or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable *Taming of the Shrew* against William Byrd's diary of life on his Virginia plantation Noel Coward's *Private Lives* and Barbara Ehrenreich's assessment in *Nickel and Dimed* of the relationship between marriage and housework She traces the connections between Phillippa Gregory's best selling novel *The Other Boleyn Girl* and documents about Anne Boleyn's fatal marriage and her daughter Elizabeth I's much debated virginity By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person When two fractious individuals assert their conflicting wills

resolution can be achieved only when one spouse absorbs subordinates or eliminates the other In an era when marriage remains hotly contested this book draws our attention to one of the histories that bears on the present a history in which marriage promises both intimate connection and fierce conflict both companionship and competition **The Complete Works of Zacharias Taneë Fomum on Marriage** Zacharias Taneë Fomum, 2017-02-20 The Complete Works of Zacharias Taneë Fomum on Marriage contains the following books Enjoying the Premarital Life Enjoying the Choice of Your Marriage Partner Enjoying the Married Life A Successful Marriage The Husband's Making A Successful Marriage The Wife's Making Divorce and Remarriage Revolutionary Thoughts of Marriage Freedom from the Sin of Adultery and Fornication Life is meant to be enjoyed at every stage premarital and marital Marriage itself is meant by God to be heaven on earth What you do before marriage determines whether your marriage will be heaven on earth or hell on earth Someone has said that before marriage your private parts are for urinating It is only after marriage that they take the additional functions of facilitating sexual pleasure and reproduction Watch out The person you choose or accept as a marriage partner may make or mar God's call on your life build or bastardise your life and make you better or bitter in life The choice is yours Do not get married without having established your God given goal started pursuing it with rigour and vigour and being desperately in need of a helper fit to help you in the accomplishment of that goal The choice is also yours to make your marriage heaven on earth or hell on earth If you and your partner make God an integral and indispensable part of your union it will stand firm and free like a three legged chair If you remove God from it through unbelief backsliding and lack of consecration you make it a two legged chair that cannot stand A successful marriage is the making of both the husband and the wife The husband makes it succeed by being unconditionally loving responsible and protective of his wife The wife on her own part makes it succeed by being unconditionally submissive respectful and pleasing to her husband When these simple principles are violated repeatedly over a sustained period of time dissatisfaction and discontentment set in These may lead to adultery sexual perversion divorce and many other terrible things This volume shows you step by step how to prepare for marriage marry enjoy the married life and avoid the ambushes of marriage It buttresses all these principles with sound testimonies of how things have worked out in the lives and marriages of many born again people worldwide Examples abound in this volume of how some peoples marriages are heaven on earth while others marriages are hell on earth It's all a matter of price paid and obedience to the Lord in His demands on one's life We send this first volume on marriage out with a cry to the Lord that He should use it to produce stable marriages stable homes stable families and so stable churches in this perverse generation
