Handbook of Local Government Fiscal Health Helisse Levine, Jonathan B. Justice, Eric Anthony Scorsone, 2012 Fiscal health of local governments and municipalities has remained an important issue since the crises of the 1970s in places like New York Philadelphia and Cleveland More recently the bankruptcy of Orange County California raised the possibility of a different type of financial failure than earlier ones The beginning of the 21st century has witnessed two major economic bubbles including the dotcom and housing bubbles These economic cycles combined with increasing health care pension and other structural costs continue to challenge the fiscal viability of many jurisdictions In particular the economic and financial crisis of 2007 2008 is likely to result in potentially serious fiscal challenges for local jurisdictions

Accountant's Handbook 2008 D. R. Carmichael, Lynford Graham, O. Ray Whittington, 2008 This supplement brings forward two chapters that were scheduled to be included in the published 11th edition In addition it introduces a new set of experienced authors for and a revision of the very important chapter on State and Local Government Accounting Chapter 34 Chapter 20 Goodwill and Other Intangible Assets includes a comprehensive examination of all current accounting literature bearing on the financial reporting of intangible assets with a new emphasis on the intellectual property rights that are increasingly the foundation for business operations Chapter 34 State and Local Government Accounting is a revision of the 11th edition Chapter In the last decade there have been significant changes in accounting for State and Local Government entities and this has been a significant period of activity for the Governmental Accounting Standards Board Chapter 50 Cost Volume Revenue Analysis for Nonprofit Organization Ideally breaking even is a potential targeted goal of a nonprofit organization If you generate a surplus over a number of periods donors or funding agents may question your need for the funds and they may be curtailed On the other hand operating at a long term deficit the nonprofit may become insolvent or unable to perform the desired level of services It is a delicate balancing act Cost volume revenue CVR analysis together with cost behavior information and budgeting can assist nonprofit managers in performing many useful planning analyses By studying the relationships of costs service volume and revenue nonprofit management is better able to understand the implications of many planning decisions The chapter discusses this useful technique
