Religious and Theological Abstracts ,2000 *Salvation in Melanesia* Michael Press,2020-06-15 *Salvation in Melanesia* explores the views of salvation held by Methodist Lutheran and Pentecostal Christians in Fiji and Papua New Guinea uncovering the ways in which a Protestant theology of unconditional salvation through God s judgment and grace has been combined with traditional Melanesian religious concepts of reciprocity retribution and obedience to cultural laws While Pentecostal churches have offered new experiences of transformation by rejecting what they regard as the mingling of Melanesian culture with Christianity in other churches they have also kept certain elements of traditional Melanesian

spirituality Meanwhile today economic globalization and secularization result in new questions about the relationship between the people the leaders the land and God Michael Press uses mission sources and interviews to describe the different concepts of mission their reception the main images of God and the relationship between religion and culture in Melanesian churches as well as the factors that support or hinder personal transformation How Violence Works John Babak Ebrahimian,2025-05-15 This book uncovers how violence stems from our desires It explores why we compete envy and sometimes escalate conflicts into war From wanting material things such as cars or prestigious jobs to seeking power or influence desire can often lead to violence The book shows how this plays out in major historical events such as 9 11 and the two World Wars Drawing from literature pop culture psychology mythology and religion it explains how desire is always mimetic or imitative We desire what another person wants While mimetic desire can be a constructive mechanism it is also capable of creating violent mechanisms such as the scapegoat mechanism which we have seen throughout history In looking at Jesus Christ s passion and resurrection we see how he uncovered the scapegoat mechanism and along with his teachings offered a viable path to peace and an end to violence **How to Catch Feelings for Jesus** Andrew Christopher Uttaro,2022-11-09 Jesus Christ is a character not unlike Elvis to many of us born into places that have historically been bathed in Christianity Sure maybe he s a decent guy but I don t want to put on the shiny blazers The whole idea of a relationship with Jesus may be quite off putting on the face of it for those of us not keen on throwing our hands up in the air in praise concerts or kneeling and reciting centuries old creeds on a weekly day off The way to a relationship with Jesus that often gets lost in all the preaching is that it s caught not taught As someone who began his relationship with Jesus with a simple I ll give this Jesus thing a try Uttaro still struggles with the awkwardness of it all Sometimes the only way we can get past all the deafening noise of the faith as it exists in our culture is to give ourselves the opportunity to catch feelings instead of endure being taught the same tired anachronisms that orbit that name Jesus In *How to Catch Feelings for Jesus* we will go about a personal step by step journey to such a relationship with Jesus Victory Over Violence and Was Jesus a Revolutionist? Martin Hengel,2003-01-28 Victory over Violence This book Victory over Violence deals with political theology as it developed within Palestinian Judaism between 334 B C and the time of Christ and as it is being advocated now by radical theologians and groups within the Christian community The book is therefore not simply an academic discussion of a bygone era It is an attempt to bridge the gap between New Testament theology and contemporary Christian social ethics Hengel clearly intends to speak to the contemporary situation which forces Christians to debate the possible use of violence in revolution He is appalled that those who advocate a theology of revolution pay so little attention to the political situation of Jesus and primitive Christianity According to Hengel s interpretation the position of Jesus and the early Christians on the question of violence was radically different from that of the Zealots Jesus was the model of nonviolence who demanded of his followers that they renounce violence and love their enemies Further since the situation today is similar to the situation in

Jesus time Hengel argues that the Christian response should be similar too Was Jesus a Revolutionist Jesus has often been portrayed as a forerunner of modern revolutionary movements Martin Hengel believes that this judgment must be scrutinized carefully to determine if revolutionists are reading their own views back into Jesus The author considers the political background at the time of Jesus especially the Zealot movement then looks at key passages in the Gospels that seem to support the revolutionist label This study shows that Jesus ethical system was revolutionary but his political actions were not Students of politics and religion will want to read Hengel s comments on Jewish movements depth psychology and today s theology of revolution

Life at the End of Us Versus Them Marcus Peter Rempel, 2017-11-09 Our present moment can no longer sustain a stable us defined against an alien them So say Ren Girard and Ivan Illich radical critics of both Christianity and culture If they are right this makes our time an endtime The end of us against them can deteriorate into the chaos of each against each or it can open outward into freely chosen communion It is an expectant and apocalyptic time How does one live in this strange endtime world As a wanderer in the odd cross culture country Girard and Illich have mapped the author finds himself in a surprising new place in relation to those who are his other women queer folk refugees Muslims atheists and Indigenous people In this collection of essays he blinks looks around and makes some field notes

Saved from Sacrifice Mark S. Heim, 2006-08-10 The cross has long been not only a scandal but also a profound paradox filled with saving significance and power it is at the same time a sobering tragedy In *Saved from Sacrifice* theologian Mark Heim takes on this paradox asserting that the cross must be understood against the whole history of human scapegoating violence In order to highlight the dimensions of his argument Heim carefully and critically draws on the groundbreaking work of French theorist and biblical scholar Ren Girard Yet Heim goes beyond Girard to develop a comprehensive theology of the atonement and the cross through his fresh readings of well known biblical passages and his exploration of the place of the victim

Psychology of the Spirit John G. Shobris, Holly A. Shobris, 2015-09-09 While not all aspects of Carl Gustav Jung s work have aged well many of his ideas remain consistent with current concepts in behavioral psychology and neuroscience *Psychology of the Spirit* reviews the lasting effects of Jung s work and how it integrates with modern neuroscience cognitive and behavioral studies and Christian theology It combines the mystical insights developed by Eastern Orthodox Christian theology with Jung s vision of the psyche and the concept of the collective unconscious and its archetypes Though written as a contribution to the field of psychology and as a tool for clinical practice it is also accessible to lay readers interested in the relationship between the mind and the brain

Violence in Scripture Jerome F.D. Creach, 2013-01-01 The Bible frequently depicts God as angry and violent and sometimes depicts human violence as positive or even as commanded by God This forms one of the most vexing problems in approaching Scripture and interpreting the Bible for preaching and teaching today In this volume Creach first examines the theological problems of violence and categorizes the types of violence that appear in scripture He then wrestles with the most important biblical texts on violence to work through specific interpretational issues This new

volume in the Interpretation Resources for Use of Scripture in the Church series will help preachers and pastors interpret those difficult texts encouraging them to face violence in the Bible with honesty Spurgeon's Sermons Volume 15: 1869 Charles Haddon Spurgeon, 2017-10-07 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the fifteenth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage, convict and inspire anyone who seeks a closer and more intimate relationship with God The Architecture of Blame Mary Marcel, 2024-05-29 The structure of society whether political, social, economic, religious or familial can be described as built upon structures of acceptable blame But what happens when we can no longer persuade each other about where blame for particular actions should land What happens when the expected scapegoats refuse that role and bystanders question their support of sacrificing the usual suspects Ren Girard, master theorist of scapegoating and victimage would characterize this era as one of sacrificial crisis The Architecture of Blame The End of Victimage and the Beginning of Justice explores these current critical areas of failed persuasion as symptoms of a deeper and much more profound crisis in our religious, social and political order This book offers six precepts addressing the un- or under-theorized aspects of Girard's theory of scapegoating and sacrificial violence These precepts supported with examples from religion, psychology, literature and history illuminate the root causes of the current sacrificial crisis in the world They open a way forward to a future without scapegoats The Book of Resolutions of The United Methodist Church 2016 United Methodist Church, 2016-12-16 The Book of Resolutions provides models for applying an active faith to daily life in ways that can impact the world around us The new Book of Resolutions contains all current social policies adopted by the General Conference of The United Methodist Church Includes positions on more than 200 subjects organized into seven sections The Natural World The Political Community The Nurturing Community The World Community The Social Community The Economic Community Other Resolutions Fully indexed by resolution title Scripture reference and topic Available in English only *All Desire is a Desire for Being* René Girard, 2023-06-29 A new selection of foundational works from the influential philosopher who developed the theory of mimetic desire Why do humans have such a remarkable capacity for conflict From ancient foundational myths to the modern era the visionary thinker René Girard identified the constant competing desires at the heart of our existence desires that we copy from others igniting a contagious violence This remarkable and accessible new selection of Girard's work shows him as a writer for our times as he ranges over human imitation and rivalry, herd behaviour, scapegoating and how our violent longings play out in stories from Shakespeare to religion The explosion of social media, the resurgence of populism and the increasing virulence of reciprocal violence all suggest that the contemporary world is becoming more and more recognizably Girardian in its behaviour The New York Review of Books Edited with an Introduction by Cynthia L Haven

A Human Catechism Joel David Aguilar Ramirez, 2024-01-26 A Human Catechism is a theopoetic journey It is the integration of personal experience, theological reflection and contextual analysis This book proposes a radical way of

discipleship in which we are invited to run the risk of positively imitating one another through the imitation of Christ If violence happens through the imitation of one another maybe good things do too As the reader embarks on a contextually self reflective journey this book invites us to take the chance of believing in a God in whom there is no violence A Human Catechism will be a journey from what seemed impossible to what became second nature all the way to becoming responsible for modeling a way of being otherwise to those around us
