Primary English Curriculum Guide

Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice

Evaluating Literacy Instruction

Rachael E. Gabriel, Richard L. Allington, 2017-09-19 This must read book for all literacy educators illuminates the intersection of research on literacy instruction and teacher evaluation Since 2009 46 states have changed or revised policies related to

evaluating teachers and school leaders In order for these new policies to be used to support and develop effective literacy instruction resources are needed that connect the best of what is known about teaching literacy with current evaluation policies and support practices A major contribution to meeting this need the volume brings together a range of perspectives on tools systems and policies for the evaluation of teaching organized into two sections Crafting Systems and Policies for Evaluating Literacy Instruction Examples of Alternative Systems Approaches for Evaluating Literacy Instruction Across the text expert scholars in the field emphasize the need for literacy professionals to do more than merely apply generic observation instruments for teacher evaluation but also to consider how these tools reflect professional values how elements of effective literacy instruction can be unearthed or included within them and how teacher evaluation systems and policies can be used to increase students opportunities to develop literacy *Library of the World's Best Literature: Guide to systematic reading* Charles Dudley Warner,1902 *The Official Guide of the Railways and Steam Navigation Lines of the United States, Puerto Rico, Canada, Mexico and Cuba* William Frederick Allen,Edwin Stevens Allen,Andrew J.
