John Abbott

Heaven Earth Biblical Model Parenting:

Heaven on Earth Lynn Sandberg, 2015-12-11 God is the perfect father and you can improve your parenting style by looking to Him He sets the example for how to be a provider protector teacher and disciplinarian This guidebook to Christian parenting explores the attributes of God a parent should try to emulate It also brings to light four ways that Jesus grew in Luke 2 52 developing intellectually physically spiritually and socially As a parent you can help your children follow in their saviors footsteps Just as the Lord disciplines those He loves parents must discipline their children Heaven on Earth carefully describes biblical principles to help parents provide the environment children need It offers proper and healthy techniques to aid parents in leading children to honor and respect not only their parents but ultimately the Lord Whats more it draws a line between appropriate and abusive actions to control childrens behavior Parents can proactively develop a disciplinary plan to guard against crossing these boundaries Parents face many challenges to lead and guide the family in godly ways and many struggle with the feelings of anger and failure Find encouragement and strength through the power of Gods Word and the strength of the Holy Spirit and get practical help in facing rebellious and wayward children You can be inspired to overcome any obstacle and raise your children for the glory of God *Ante-Nicene Christian Library* Alexander Roberts, Sir James

Donaldson, 1871 **The Christian Mother** John Abbott, 2023-12-23 Be an example in speech in the way you live in your love your faith and your purity 1 Timothy 4 12 Train a child in the way he should go and when he is old he will not turn from it Proverbs 22 6 The object of this book is practical utility not literary effect It was written for mothers in the common walks of life There are many mothers in every village of our land who are looking eagerly for information respecting the government of their children It is hoped that the following treatise may render them some assistance Some people may object to the minuteness of detail and the familiarity of illustration occasionally introduced We however are persuaded that this objection will not be made by mothers Education consists in attention to little things The religious sentiments inculcated in this book are those usually denominated evangelical We have proceeded upon the principle that this present life is the commencement of external existence and that the great object of education is to prepare the child for its heavenly home Yang Tingyun,

Confucian and Christian in Late Ming China Nicolas Standaert, 2021-09-13 The Real Story of Creation Willie J.

Alexander, 2012-11-30 In his first book *Entering The Promised Land* Willies quest to understand how embedded social biases affect business success led to a much broader revelation Religious Scholar by training Willies source for study was biblical Scripture In the course of his research he literally stumbled upon a new methodology for biblical study He named this new tool the Defined Word Approach Much to his surprise by using this tool he found a rich cultural heritage for individuals of African descent hence the title *Entering The Promised Land* In his latest writing *The Real Story of Creation* Willie lays out an entirely new perspective on Creation as recounted in the Holy Bible Using the Defined Word Approach he breaks down the meaning of the classical Hebrew words used to write the Scripture The take away is vastly different from the biblical

teachings of the past two centuries Willie feels that using the Defined Word Approach to read and understand the Bible could be the impetus for re energizing religious study and understanding Willie continues to pursue his research and writing while providing leadership and guidance through his service and active participation in industry business and civic associations
