By: Maria Edgeworth , Novel Maria Edgeworth, 2017-09-18 Helen is a novel by Maria Edgeworth 1767-1849. It was written in 1834 late in the writer's life. Helen tells the story of a young orphan Helen Stanley whose guardian Dean Stanley has squandered his fortune and left Helen without means of support. She is forced to take up residence with the local vicar whose wife is astonished that none of the Stanleys' aristocratic friends have offered a refuge to her. Eventually however the Davenant family returns from abroad and invite Helen to their daughter's new home Clarendon Park. Cecilia Davenant has just married General Clarendon. Helen journeys to join her dear friend Cecilia a charming socialite and the first half of the novel describes Helen's experiences among the most fortunate of Britain's elite under the tutelage of Lady Davenant who in some ways favors Helen over her own daughter Cecilia. In the second and more dramatic half of the novel Lady Davenant departs with her husband who has been named ambassador at the Court of St Petersburg Russia. Helen is left to the care of General Clarendon and Cecilia. By this time she is engaged to Granville Beauclerc a young and handsome man who is another of Lady Davenant's favorites. All does not run smoothly for Helen however. Before her marriage Cecilia has carried on an amorous correspondence with Colonel d'Aubigny a worthless rou who has since died. These letters reappear in a packet addressed to Cecilia's husband. Cecilia implores Helen to act as if the letters were addressed to her rather than to Cecilia. Helen from misguided devotion to her friend and gratitude for Cecilia's kind hospitality agrees to the deception. This first step leads to more and more serious consequences until finally Helen's reputation is in tatters. Beauclerc is forced to fight a duel in

defense of his fianc e after which he must flee from England Cecilia still refuses to recognize the letters as hers out of fear of losing her own husband if she admits to the correspondence The General is convinced that Helen is faithless She refuses to stay where she is not respected and chooses exile in Wales with the General s sister where she becomes dangerously ill Even the birth of Cecilia s first child a son does not encourage her to confess to her husband and Helen gives up all hope of exoneration The d nouement comes when Lady Davenant also dangerously ill returns to London at the same time as the General finally discovers his wife s deception and vows to separate from Cecilia for life Helen s character is redeemed Beauclerc returns to England when his adversary recovers from his wounds and the novel ends happily for all the protagonists with Lady Davenant saying that she is now and not till now happy perfectly happy in Love and Truth
