Promised to Two Bears Kelex,2015-10-14 Bear lays with human not bear Or so the old bear law has always said It was beaten into Declan and his brother bear Ryder s heads since they were small just like every other cub in school Yet when they find their mate an omega sneaking a dip in the mountain s spring Declan can t ignore the need he feels bear or not Ryder feels the same lusts but he s much more concerned about an omega being their mate He knows claiming another bear could get them exiled He stops Declan before things go too far but even that isn t enough to stop them from being sent off bear lands Gage knows his mates when he sees them but also knows they can never be together As an omega he s the lowest chaste in the bear world an invisible slave to those above him The fantasy is too scary to imagine no matter how much his body yearns to be claimed by the two handsome males It ll take the bear world to be flipped upside down for the three of them to find a way to be together

Predator Kelex,2018-01-31 After months of being in a coma Parker awakens chained to a hospital bed his skin scarred and raw He s barely able to look at his own image in a mirror his body left in a painful ruin by something others call a gift Parker has no plans to remain in Bear Mountain or help a bunch of freaks win some war he has no part in But there s not much left for him to go home to With the help of Samuel he finally realizes the safest place for him is right where he is and there s no reason not to try to learn a little control while he s there before he burns himself alive That control is put to the test as two shifters come into his life One is quiet and persistent The other is wild and chaotic He craves their touch but refuses it Now locked in a scarred body he s no longer the pretty party boy he d been before a bolt of lightning carried him to Bear Mountain Who would want someone like him disfigured by the very lightning contained within him Confronted with monsters and magic he has to come to terms with who he is now learn to accept the image in the mirror and face a future he d never have imagined in a million years

Theirs by Bond Kelex,2018-06-13 Without much thought Carson gave up his life in the human world to move to Bear Mountain and live with his mates Jared and Royce The bond he experienced with his two bears had felt so powerful that he d plunged in

headfirst ready for a new adventure As time has worn on the potent lust they felt in those first days fades some and the weight of a new burgeoning romance falls on their shoulders Adding in a new wrinkle doubts form that threaten their chance at forever They all soon discover that a relationship demands work on all sides It will take commitment to propel them from the lust of their animal mating to the love they all sensed was possible from the start Unless secrets tear them apart first

Surrendering to Two Bears Kelex,2016-02-10 Held hostage for over a year Eric had been forced to play Tymber and Taryn s sex slave against his will When he was finally free he wasn t truly free Pregnant with the terrible twosome s cub he couldn t leave Bear Mountain until the beast inside him arrived Landon and Collier know their mate at first glance and offer to give the human refuge in their cabin They struggle knowing their male is filled with a babe a babe that s not theirs but as they grow to love Eric they know they ll love the little piece of him regardless But Eric has other plans Over the weeks with them he senses the bond and revels in the safety of their home He wants the two bears for himself without the thing his captors forced on him under the same roof What will Landon and Collier do when the ultimate ultimatum is laid at their feet

A Stag for Two Bears Kelex,2015-12-09 Someone s been killing off deer shifters just across Bear Mountain s county line where the neighboring Indian reservation and the river meet Most in the den agree that it looks like one of their own is to blame Bear shifter Magnus joins with the rez s sheriff to help find the culprit Magnus could ve had an easier time of it if one deer shifter didn t drive him to distraction He knows his mate the minute he lays eyes on the male Finding the male is bittersweet It brings up memories of the brother bear Magnus lost years before Like many of his herd Tobias is weary of the bear shifters across the river He too senses the draw toward Magnus but he tries to ignore the feelings Deer shifters aren t known for their monogamy or mating for life and he doesn t see a reason to change his whole life for the bear [A Panther Comes Between Two Bears](#)

[Kelex,2017-03-22](#) Mikel McCreary has plans He wants a lot out of life now that he s been freed from the chains of his fathers And he s willing to work his ass off to make things happen While working at the valley grocer he signs up for firefighter training and is one of a handful of applicants who get in Preston Bellington is from one of the finest families in Bear Mountain but he bucks tradition and becomes a civil servant something his family can t understand Preston wants to give back to the community to be a part of the valley s new direction under their alpha and when he comes face to face with the male who s his he knows he s been on the right path all along Boyd Marsters is a panther shifter and part of the group of soldiers Deacon brought to town His skill as a mechanic keeps all the military vehicles moving and brings him face to face with the male who s his Making some roots in Bear Mountain sounds better and better as the days pass Preston and Boyd aren t a part of Mikel s plans and he does everything in his power to make sure both males know that Problem is neither of them seem to be good listeners And both plan on claiming Mikel as their own *A Beta for Two Bears*

Kelex,2016-03-09 All he s wanted his entire life is freedom Freedom from the stigma of ignorance Freedom from the life he d been born into Freedom from the vicious males raising him After the death of his fathers Tyler thinks perhaps he s finally

found it only to realize there s no one to care for his four younger brothers Dmitri and Barron know Tyler is their mate but the idea of taking in a family of five is daunting to say the least Add in the fact they re the McCreary wild brats and both of their heads are spinning Yet they won t abandon their mate or the cubs who need them Tyler doesn t want to admit he needs their help His pride gets in the way and gets them all in a dangerous situation Can Dmitri and Barron help Tyler and the boys see their way back and become the family they all deserve
