Ruby's Star Maria Farrer, 2018-11-20 Things have been difficult for Ruby lately. Her dad left long ago and her mom is so down that she can hardly get out of bed some days which means it's up to Ruby to take care of her younger brother. As a result, she can't always go to school and when she does go, she just seems to end up in trouble. And forget about her real dream: learning to skateboard. There will never be money or time for it. But Ruby's life changes when Mister P floats down one day in a hot air balloon. Though Ruby is at first reluctant to be friends, she can't ignore Mister P; he is a polar bear after all. With his silly and gentle polar bear ways, huge heart, and plenty of slapstick humor, he teaches Ruby that she doesn't have to take care of everyone on her own; it's OK to let others help. Sometimes Ruby is amazed by the number of people willing to lend a hand, and how even a small amount of support can make a big difference. Full of lively art and fun formatting, Readers will wish for their own polar bear ally.

What a Dog Knows Susan Wilson, 2021-06-22 From New York Times bestselling author Susan Wilson comes *What a Dog Knows*, another heartwarming novel about humans and the dogs that change our lives. Ruby Heartwood has spent her life running away. Away from the orphanage where she was left as a newborn, away from those who exploited her, and away from the man who raped her. She ran from child welfare authorities as a runaway and teenage mother. She's never stayed put. She's never felt connected. Until now. Ruby is a psychic, a fortune teller. She has spent most of her life working at street fairs, carnivals, and the odd Renaissance Faire. Of late, her abilities to tell a person's fortune have been declining. One night, she pulls off the road during a violent thunderstorm, sheltering in her Volkswagen Westfalia. At the storm's height, a bolt of lightning leaves Ruby shaken and changes her life. As the storm clears, Ruby finds a visitor sitting outside her van door: a little dog who says quite distinctly, "Let me in." Ruby has woken up able to hear the thoughts of animals, so she adds that to her list of psychic offerings and signs up for the Harmony Farms Farmers Market and Makers Faire. With the little Hitchhiker, her fast friend, and her

familiar Ruby finds herself lingering in Harmony Farms At the same time she is haunted by dreams that lead her to wonder if she hasn't been running away all this time but running toward something or someone Seven Languages in Seven Weeks
