The Volunteer Army US Army Military History Research Collection, John Slonaker, 1972 *Why We Fought* Peter C. Rollins, John E. O'Connor, 2008-07-25 A wide ranging and sophisticated anthology comparing theaters of war to wars in the movie theater Dennis Showalter author of Patton and Rommel Why We Fought makes a powerful case that film can be as valuable a tool as primary documents for improving our understanding of the causes and consequences of war A comprehensive look at war films from depictions of the American Revolution to portrayals of September 11 and its aftermath this volume contrasts recognized history and historical fiction with the versions appearing on the big screen The text considers a selection of the pivotal war films of all time including All Quiet on the Western Front Sands of Iwo Jima Apocalypse Now Platoon and Saving Private Ryan revealing how film depictions of the country's wars have shaped our values politics and culture and offering a unique lens through which to view American history Named as a Choice Outstanding Academic Title Luke Irontree & The Last Vampire War (Books 1-3) C. Thomas LaFollette, 2022-07-12 Killing vampires is Luke Irontree's business and business is good Too good After nearly 2 000 years the immortal vampire hunter is exhausted Alone in a world where everyone he knew and loved is dead he struggles on because it's all he knows But when a wave of vampire attacks brings a dark pall over Portland Luke is the only one who can stop them The problem is he let things go too long Now he's outnumbered and the tables have turned the hunter has become the hunted After falling into a trap Luke is rescued by a werewolf and a tough female vampire hunter who want to join forces However Luke is too afraid of losing more friends Luke might not have a choice if he wants to protect his home and survive to tell the tale Allies are a dangerous risk both for himself and for them Vampire hunting has always been a deadly business But with the gutters running red with blood Luke must make the impossible choices or die trying The American Legion Weekly American Legion, 1922 **A Sociology of the Total Organization** Mikaela Sundberg, 2016-03-09 Examining the organization of everyday life inside the regiments of the French Foreign Legion this book takes its theoretical point of departure in the notion of the voluntary total organization that is to say an institution that constitutes a geographically delimited place of residence and work in which inmates are voluntarily separated from the outside world leading an enclosed formally administered life Informed by a modified version of Goffman's original concept of the total institution A Sociology of the Total Organization untangles the Foreign Legion and the ways in which different kinds of social orders interplay there With a focus on regimental life the author characterizes the armed forces not only as a total organization but also as a greedy one seeking undivided loyalty and the incorporation of all social roles within its bounds Against this understanding the book draws on rich ethnographic work to develop the notion of atomistic unity the ideal relational condition that exists in the military in which individuals commit to a unit and articulate ties with individuals on an impersonal basis grounded in the belief in a greater whole A detailed and empirically grounded study of the mechanisms in which the Foreign Legion not only cuts members ties to people outside the organization but also restricts the creation and maintenance of ties among its members this book shows how atomistic unity

is not limited to greedy organizations such as the military but applies to a variety of collectivist settings As such it will appeal to scholars of sociology and anthropology with interests in military life social relations social theory and the work of Goffman

The God Machine James R. Chiles,2008-09-30 From transforming the ways of war to offering godlike views of inaccessible spots revolutionizing rescues worldwide and providing some of our most watched TV moments including the cloud of newscopters that trailed O J Simpson s Bronco the helicopter is far more capable than early inventors expected Now James Chiles profiles the many helicoptrians who contributed to the development of this amazing machine and pays tribute to the selfless heroism of pilots and crews A virtual flying lesson and scientific adventure tale The God Machine is more than the history of an invention it is a journey into the minds of imaginative thinkers and a fascinating look at the ways they changed our world

Battron: The Trojan Woman #3 Wayne Vansant,2019-11-06 World War II action in North Africa An action adventure tale of the French Legionnaire soldier Battron a man without a country who is involved with the liberation of a freebooting French ship the Martel from a heavily guarded Vichy French port during World War II The Allies want the ship destroyed the Germans have sent serious resources and firepower to save it and keep it afloat But a critical security leak in British intelligence could jeopardize not only the mission but Battron s life The key is the beautiful former mistress of the Martel s captain enlisted in the hope she can convince him to join the Free French movement with his ship But has she told the Allies all she knows And can Battron and his skillful commandos complete their dangerous mission in time under the looming shadow of the pending Allied invasion of North Africa THIS ISSUE The exciting conclusion to this Battron World War II action adventure With most of his men captured by the Germans Battron puts in motion the final pieces of his plan in an all or nothing attempt to secure the French ship Martel and bring it into Allied hands As things swirl around between the Free French the Germans and the German occupied French Vichy a new player enters the fray the Americans Battron is caught between all of them in an attempt to secure the ship Martel they all are desperate to obtain A Caliber Comics release
