not otherwise represented in the series and though very well known indeed by name less read than quoted The suitability of the political pamphlet both by size and self containedness for such a volume as this needs no justification except that Which it like everything else must receive by being put to the proof of reading About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Book**
