Historical Dictionary of the Carter Era Diane Kaufman,Scott Kaufman,2013-02-28 James Earl Carter Jr better known as Jimmy Carter was not the greatest or most popular president of the United States but he did accomplish quite a lot in the fields of civil rights energy and foreign policy during his term from 1977 to 1981 However the economy fared badly and he lost face in his dealings with Iran So when he left after one term he was not greatly missed or so it seemed For after the presidency he made an amazing comeback as a diplomat and trouble shooter in international crises

becoming an amazing ex president And even the earlier views of his presidency have been improving at least he did not get the country into a war This rather special trajectory is explained in the Historical Dictionary of the Carter Era with an obvious focus on his term as president His run for the presidency and what he did during his term in office is traced carefully by the chronology The introduction takes a longer view and also puts events in a broader context Then the dictionary section with hundreds of detailed and cross referenced entries tells us more about his policy in various fields but also how America changed culturally and socially during this period The extensive bibliography points toward further information although this book is certainly a good starting point and also a place to refresh one s memory **America a Concise History 3rd**

Henretta,David Brody,Lynn Dumenil,Mel Yazawa,2005-04-01 **Perspectives** ,2006 *Quentin Tarantino's Django Unchained* Oliver C. Speck,2014-07-31 Django Unchained is certainly Quentin Tarantino s most commercially successful film and is arguably also his most controversial Fellow director Spike Lee has denounced the representation of race and slavery in the film while many African American writers have defended the white auteur The use of extremely graphic violence in the film even by Tarantino s standards at a time when gun control is being hotly debated has sparked further controversy and has led to angry outbursts by the director himself Moreover Django Unchained has become a popular culture phenomenon with t shirts highly contentious action figures posters and strong DVD BluRay sales The topic slavery and revenge the setting a few years before the Civil War the intentionally provocative generic roots Spaghetti Western and Blaxploitation and the many intertexts and references to German and French culture demand a thorough examination Befitting such a complex film the essays collected here represent a diverse group of scholars who examine Django Unchained from many perspectives
