Barnett,Jacqueline Margetts,2017-01-06 The modern period in landscape architecture is enjoying the fascinated appreciation of scholars and historians in Europe and the Americas and new themes new subjects and new appraisals are appearing This book contributes to the conversation by focusing on the work of a singular designer who spent his entire career in a province of the North Island of New Zealand Ted Smyth practiced an assured landscape modernism without ever seeing the designs of his forebears or his contemporaries working in the UK Europe and the United States Designing in isolation from the mainstream of modernism and a little after its high tide Smyth produced a series of gardens that provoke a revaluation of the diffusionist model of influence The book explains and describes the evolution of Smyth s design vocabulary and relates it to the development of tropical landscape modernism in other Asia Pacific sites It shows how a culture of garden modernism can be generated from within a particular locale and highlights Smyth s engagement with M ori design traditions in search of a specific expression of the high modern essentialism of place *Redefining British Politics* L. Black,2010-02-24 A history of 1950s and 1960s British political culture *Redefining British Politics* interrogates ideas movements and identities bordering social and political change consumer organisations campaigns about TV morality and culture Young Conservatism and how party politics used media like TV and was represented in popular culture **Journal of Economic Literature** ,1992

Ekphrastic encounters David Kennedy,Richard Meek,2018-12-05 This book offers a comprehensive reassessment of ekphrasis the verbal representation of visual art Ekphrasis has been traditionally regarded as a form of paragone competition between word and image This interdisciplinary collection of essays seeks to complicate this critical paradigm and proposes a more reciprocal model of ekphrasis that involves an encounter or exchange between visual and textual cultures This critical and theoretical shift demands a new form of ekphrastic poetics which is less concerned with representational and institutional struggles and more concerned with ideas of ethics affect and intersubjectivity Ekphrastic encounters brings together leading scholars working in the field of word and image studies and offers a fresh exploration of ekphrastic texts

from the Renaissance to the present day Taken together the chapters establish a new set of theoretical frameworks for exploring the ekphrastic encounter
