**THE STATE OF CHRISTIANITY** Dennis A. Beaudry,2022-10-12 The State of Christianity takes a prophetic look at the body of Christ and America and where the two of them are heading Ever increasing onslaughts against the church from various entities results in legislation that restricts Christians from accomplishing their work as commissioned by Christ But true Christians become repulsed by the blight of a decaying society and frustrated with their failure to reverse the nation s moral decline They never give up nor succumb to the forces of opposition Instead they seek God s direction for an alternative plan which comes as an exodus of sorts Arriving at a central point in the country they unite living so prosperously and peacefully the rest of the crumbling nation can t help but notice Obedient Christians making tremendous sacrifices to live according to the mandates of their faith the way it has been throughout the history of Christendom Call them new pilgrims radicals or fanatics for Christ but as always call them victorious
