Medicaid Handbook: Interface with Behavioral Health Services U.S. Department of Health and Human Services,2019-11-23 This handbook is intended to provide the reader with a basic understanding of the Medicaid program There is a specific emphasis on the interplay between Medicaid principles and behavioral health services The goal is for the reader to navigate his or her state Medicaid program so that he or she can contribute meaningfully to policy conversations related to provision of behavioral health services to individuals who are eligible for Medicaid Throughout this document the term behavioral health encompasses both mental and substance use disorders When a mental or substance use disorder is

addressed singularly the reference will be only to that disorder Because each state s Medicaid program is different from all others and because Medicaid laws and policies are ever changing this handbook cannot contemplate every permutation of program construction     *Monthly Catalog of United States Government Publications* ,1996-07     Federal Programs for the Elderly in Kentucky Success Or Failure?
