Key Largo Adventures Real Marina Life In The 1960s:

Key Largo Adventures George E. Brewer, 2011-01-28 Back in the sixties the Florida Keys was a frontier compared to the rest of Florida. The book is about the efforts the author went through in order to start a marina. After searching South Florida waterfronts, the author happened onto the settlement known as Key Largo. The town consisted of groups of trailers, a couple of churches, and 12 bars. A single road ran through town called U S 1, which was the only way to get on or off the Keys. The book tells the escapades of the various customers and about the employees who were all colorful Keysee characters such as Doc who was always wondering around in his undershorts looking for the perfect Manhattan cocktail and Jimmy who while imbibing free beer was paid to build a structural cinder block wall. He put in the sand and water but forgot the bag of cement. Then there was Jackson whose boat caught fire 10 miles off shore, made the U S Coast Guard believe there had been a mutiny and a murder on board, so that the Coast Guard had to dispatch a 110 foot Endurance Cutter out of Miami to assess the situation and make arrests. The author and his Deep 6 Marina fell afoul of the U S Government. The lawsuit was between the Corps of Engineers who mandated he rip rap his water front property to stop further bank erosion on one hand and the Environmental Protection Agency who said if he did rip rap it would kill sea grass and fish breeding areas and they would close down his operation. The Clive Cussler Adventures Steven Philip Jones, 2014-05-20 The author of more than 50 books, 125 million copies in print, Clive Cussler is the current grandmaster of adventure literature. Dirk Pitt, the sea loving protagonist of 22 of Cussler's novels, remains among the most popular and influential adventure series heroes of the past half century. This first critical review of Cussler's work features an overview of Pitt and the supporting characters and other heroes, an examination of Cussler's themes and influences, a review of his most important adventures such as *Raise the Titanic* and *Iceberg*, and a look at adaptations of his work in other media. Cussler joins the pantheon of such as Rudyard Kipling, Sir Arthur Conan Doyle, and Ian Fleming, and this overdue volume demonstrates that beneath Cussler's immense popularity lies a literary depth that well merits scholarly attention. **The Insiders' Guide to the Florida Keys and Key West** Vicki Shearer, Janet Ware, 1998-11 Discover the brilliant union of the Florida Keys including Key West in this comprehensive and thorough guide to the islands. Insult to Our Planet & The Florida Keys Jerrold J. Weinstock, 2017-12-29 Explore the Wonders Face the Reality. The medical definition of INSULT is to cause some kind of physical or mental injury. Through the eyes of this psychiatrist and his raw existential passion for the planet, a web of insult is untangled to expose environmental degradation we face today and its impact on the human spirit. For over fifty years Dr. Weinstock has lived in the Florida Keys, fishing the Atlantic and the Gulf waters off of Key West. A prize winning angler, he shares exciting stories of the past in this sport fishing mecca. You'll feel the humidity as he fights the Permit on Boca Chica.
