J. Bourgeois, Serge Eygenson, Kanokrat Namasondhi, 2021-09-14 The Tao of Strategy combines ancient wisdom from the Eastern world's great philosophers and lessons from modern day business leaders to provide readers innovative approaches to unlock strategic breakthroughs for themselves and their organizations Today's organizational strategists including executives managers consultants and the business students who aspire to join their ranks will encounter novel ways of solving complex problems In this engaging examination of the wisdom of Confucius and the strategies of The Art of War the mindfulness of the Buddha and the perspectives of the Bhagavad Gita as well as the advice of The Tao Te Ching and the fun of playing the ancient board game of Go The Tao of Strategy presents alternative creative ways to open up one's strategic thinking The Tao of Strategy highlights a range of companies from earth moving equipment manufacturers Komatsu and Caterpillar to technology providers Infosys and Sun Microsystems to financial institutions Bank of America and Goldman Sachs Interviews with chief executives from China Steel PTT Group Bacardi Rodale Press Aston Martin and other organizations reveal how insights from Eastern philosophy inform the strategic decision making of organizations and leaders around the world By engaging with Eastern philosophy from the perspective of organizational strategy The Tao of Strategy offers a novel approach to strategic thinking that can help readers navigate today's increasingly complex strategic challenges and unpredictable global environment **The Reiki Sourcebook** Bronwen Logan, 2024-11-26 Twenty years ago The Reiki Sourcebook revolutionized the Reiki community with its comprehensive coverage of the history practice and philosophy of the system of Reiki It meticulously tracks every significant aspect from the system's inception in early 1900s Japan to the West and back to Japan This anniversary edition celebrates the depth of research and clarity that this book has brought to the Reiki community With an introduction for beginners and a chronological history that answers questions like Where did the attunement process come from and Which hand positions are correct these pages explain and illustrate techniques from both Japan and the West This is the definitive manual for anyone with a particular interest in the system of Reiki Japanese healing practices or a more general interest in complementary health Reiki authors and teachers Bronwen Logan and Frans Stiene co founders of the International House of Reiki have worked with the system of Reiki and conducted research on its Japanese origins across Europe Asia North America Australia and Japan Bronwen who now resides in the Blue Mountains near Sydney Australia has since launched her own initiative Reiki with Bronwen to further explore and teach the practice Frans has returned to his roots and teaches from his hometown of Haarlem in the Netherlands Together they continue to share their extensive knowledge and experience with Reiki practitioners worldwide [Drawing on the Right Side of the Brain](#) Betty Edwards, 2012-04-26 The ideal gift for any artist on your list or a keepsake item of your own A revised edition of

the classic drawing book that has sold more than 1 7 million copies in the United States alone Translated into more than seventeen languages Drawing on the Right Side of the Brain is the world s most widely used drawing instruction book Whether you are drawing as a professional artist as an artist in training or as a hobby this book will give you greater confidence in your ability and deepen your artistic perception as well as foster a new appreciation of the world around you This revised updated fourth edition includes a new preface and introduction crucial updates based on recent research on the brain s plasticity and the enormous value of learning new skills utilizing the right hemisphere of the brain new focus on how the ability to draw on the strengths of the right hemisphere can serve as an antidote to the increasing left brain emphasis in American life the worship of all that is linear analytic digital etc an informative section that addresses recent research linking early childhood scribbling to later language development and the importance of parental encouragement of this activity and new reproductions of master drawings throughout A life changing book this fully revised and updated edition of Drawing on the Right Side of the Brain is destined to inspire generations of readers to come **The Open Mind** Dawna

Markova,1996-01-01 Discusses six learning patterns based on the way auditory visual and kinesthetic information are processed and provides detailed descriptions of each pattern Psychophysical Acting Phillip B. Zarrilli,2012-10-12

Psychophysical Acting is a direct and vital address to the demands of contemporary theatre on today s actor Drawing on over thirty years of intercultural experience Phillip Zarrilli aims to equip actors with practical and conceptual tools with which to approach their work Areas of focus include an historical overview of a psychophysical approach to acting from Stanislavski to the present acting as an energetics of performance applied to a wide range of playwrights Samuel Beckett Martin Crimp Sarah Kane Kaite O Reilly and Ota Shogo a system of training though yoga and Asian martial arts that heightens sensory awareness dynamic energy and in which body and mind become one practical application of training principles to improvisation exercises Psychophysical Acting is accompanied by Peter Hulton s downloadable resources featuring exercises production documentation interviews and reflection **Black Belt** ,1999-02 The oldest and most respected martial arts title

in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world **Aikido: O-Sensei's Sublime Synthesis, Vol. 2** Michael DeMarco, M.A.,2016-03-13 How can we fully understand aikido or any other martial art for that matter when we have only been exposed to part of it While learning about the art we can easily make assumptions and be tricked by false impressions In most cases even instructors do not have enough background to grasp the entirety of the art and are happy to work with part of it The content in this special two volume anthology details the many facets of aikido as it was formulated by Morihei Ueshiba 1883 1969 O Sensei the great teacher Each chapter contributes to a piece of the aikido puzzle by providing historical details insightful technical drills

bare handed and with weapons and components that have flavored this art with a spiritual essence From the Ueshiba wellspring flows a number of streams political splinter groups offering their own take on what aikido should be and how it should be practiced Each branch may stand on its own but a good number of scholars and practitioners prefer a more encompassing representation of what O Sensei taught So chapters in these volumes help put Humpty Dumpty back together again Volume I includes ten chapters and volume II another fourteen The authors twenty three in all present superb credentials as scholars and practitioners of aikido On the academic side you ll find chapters that detail aikido s philosophy from ethical relationships and practical theory to the subtle spiritual dimension A few authors highlight the circumstances regarding the transmission of aikido from teacher to student Some authors show how culture influences the perception and understanding of aikido when it travels outside Japan Aikido is often practiced as a system of body movement encompassing a philosophy of peace and harmony Others may focus on learning the art for its effective methods of self defense Composed of material previously published in the Journal of Asian Martial Arts this two volume anthology is heavy on the technical aspects of aikido that both teachers and students would benefit by reading Training methods are discussed in detail supported by hundreds of illustrations of attack and defense Whatever your primary interest is in aikido Aikido O Sensei s Sublime Synthesis will prove to be a great reference for the scholar and practitioner We hope this convenient collection of quality material dealing with Morihei Ueshiba s martial discipline will benefit your research and inspire the practice of this elegant art

Japanese Art Of Reiki Stiene,2010-05-11 Reiki techniques originated in Japan in an intensely spiritual period of that country s history This fully illustrated book traces the system s evolution from a spiritual self development system to a direct hands on practice The journey moves from Japan to the USA out to the world and back to Japan Focussing on the basic elements in their historical context this guide contains beautifully grounded information that captures a unique sense of the system s traditional Japanese roots The clarity and accessibility of the teachings in the book redefine and strengthen the concept of Reiki as it is practised today

The New Drawing on the Right Side of the Brain Betty Edwards,1999-08-30 When Drawing on the Right Side of the Brain was first published in 1979 it hit the New York Times bestseller list within two weeks and stayed there for more than a year In 1989 when Dr Betty Edwards revised the book it went straight to the Times list again Now Dr Edwards celebrates the twentieth anniversary of her classic book with a second revised edition Over the last decade Dr Edwards has refined her material through teaching hundreds of workshops and seminars Truly The New Drawing on the Right Side of the Brain this edition includes the very latest developments in brain research new material on using drawing techniques in the corporate world and in education instruction on self expression through drawing an updated section on using color detailed information on using the five basic skills of drawing for problem solving Translated into thirteen languages Drawing on the Right Side of the Brain is the world s most widely used drawing instruction guide People from just about every walk of life artists students corporate executives architects real estate agents

designers engineers have applied its revolutionary approach to problem solving The Los Angeles Times said it best Drawing on the Right Side of the Brain is not only a book about drawing it is a book about living This brilliant approach to the teaching of drawing should not be dismissed as a mere text It emancipates Martial Arts Teachers on Teaching Carol A. Wiley,1995 Teaching is an art Effective martial arts teachers must not only be competent practitioners but must also develop the communication and interpersonal skills of any good teacher In this collection twenty six experienced martial arts teachers discuss the process of learning and teaching a martial art from the nuts and bolts of teaching technique to the philosophical underpinnings of training **Drawing on the Right Side of the Brain Deluxe** Betty Edwards,2012-04-26 This Deluxe eBook includes over 35 minutes of video featuring Betty Edwards illustrating the core techniques of her enduring classic A revised edition of the classic drawing book that has sold more than 1 7 million copies in the United States alone Translated into more than seventeen languages Drawing on the Right Side of the Brain is the world s most widely used drawing instruction book Whether you are drawing as a professional artist as an artist in training or as a hobby this book will give you greater confidence in your ability and deepen your artistic perception as well as foster a new appreciation of the world around you This revised updated fourth edition includes a new preface and introduction crucial updates based on recent research on the brain s plasticity and the enormous value of learning new skills utilizing the right hemisphere of the brain new focus on how the ability to draw on the strengths of the right hemisphere can serve as an antidote to the increasing left brain emphasis in American life the worship of all that is linear analytic digital etc an informative section that addresses recent research linking early childhood scribbling to later language development and the importance of parental encouragement of this activity and new reproductions of master drawings throughout A life changing book this fully revised and updated edition of Drawing on the Right Side of the Brain is destined to inspire generations of readers to come
