MANNER OF THE SUND OG Ted Cabana, 2013-11 Nearing the end of the 21st century the world has been devastated by catastrophic climate change war disease and overpopulation Now the most sought after of all continents to live Antarctica has developed into a vastly inhabited and civilized oasis with its own cities communities cultures and native population known as the Annortics Still under the control of the United Nations Consultative Parties this utopian society established in the exclusive city of Ellsworth is governed by an international coalition of scientists known as ICS more simply referred to as ICE The governing laws have been set in accordance with the Antarctic treaty which has continued to ban any exploitation of its prized resources for over a century But the tyrannical global corporation known as GRANT has begun to manipulate extort

and even assassinate key party members in order to take control of the most magnificent frontier on the planet for their own self indulgence With the recent discovery of an ancient and highly elusive Nazi military installment members of GRANT s abducted science team have learned to develop and exceed the technology that would have allowed the Third Reich to conquer the world during WWII Together with their covert elite force known as the Lynx they will use this technology of an unknown origin to once again continue the pursuit of absolute power In its capital city of Ellsworth young physics prodigy Bane Elrick is drawn into conflict between Antarctica s own governing body the International Coalition of Science and GRANT a powerful global organization that has seized control of the world s economy and now desires to take control of the planet s last frontier Antarctica After inadvertently learning of its profound history and dark secrets Bane is forced to make decisions that will impact his future while struggling to save his loved ones from losing the only home they have ever known to GRANT Bane is guided by his mentor Dr Pierce G del president of the Coalition and a renowned geneticist who lives confined to his self made endodermic suit which allows his paralyzed body to continue functioning as normal while preparing his revenge on GRANT for their failed assassination attempt which claimed the lives of his beloved wife and daughters Under his preceptor world renowned physicist Professor Sergei Isen Bane learns of an intangible and extremely valuable isotope that can be used dynamically for inter stellar travel anti gravity propulsion or as a powerful weapon against all civilization Throughout his adventure Bane learns the uglier side of politics science and life from his friends mentors and his father Marlin Elrick an architectural engineer who tries to guide him toward a more prosperous future The ghostly memoirs of his deceased mother a paleo geologist lead him as he recalls her cryptic cyphers from his childhood to unravel the secrets of Antarctica s history and his own destiny Markus Blackmore a former UN Special Forces agent and commander of the Antarctic Regional Guard shows Bane the darker side of humanity and how to fight for what he believes in His nomadic neighbor Donner McKinley a wise but eccentric old man advises him through troubled times with what at first seems to be equivocal nonsense All the while being driven by his passion for science his native land and his love for an esteemed politician s daughter Bane relates his tale to a new denizen of Ellsworth sharing his accounts of early life and adventures as a scientist where he was born and raised and his rise to leadership of the world s most intriguing continent and sovereign nation of its own Antarctica

Kallan: The Switch (Indie Rebels Book 4) Miranda P. Charles,2020-04-24 Pretending to be his twin was never going to be easy but falling in love with a woman who doesn't know his real name is a different level of complicated In his first assignment as an Indie Rebel Kallan needs to pretend to be his twin brother a hacker attempting to shake off his past in the underworld When Kallan starts dating the woman of his dreams he has no choice but to make her think he is his twin Telling her the truth could do more than end their relationship it could put her in the line of fire For Isla life is finally looking up Not only is her law practice up for an endorsement from an influential businessman she is also dating the most wonderful sweet and gorgeous man Things might have gotten off on the wrong foot she initially thought she was more into his twin brother But the more time Isla spends with her Mr Right the more she believes in Happily Ever Afters until people start asking questions and the answers don't add up So how well does Isla really know the man who stole her heart Kallan The Switch can be read as a standalone novel or as book 4 of the Indie Rebels series where steamy heart melting romance meets danger mystery and suspense Indie Rebels Series Book 1 Xavier The Contract Book 2 Jaxon The Assignment Book 3 Bryce The Project Book 4 Kallan The Switch Book 5 Aidan The Rescue Other books in the series coming soon **Apple CarPlay: A**

Guide for Beginners Matthew Hollinder,2015-04-17 Apple iPhone users have been able to connect their phones to car navigation systems for years so one may wonder what is so different about Apple CarPlay For starters instead of connecting to a third party configuration CarPlay launches a display which mimics the features of the iOS user interface that we've become accustomed to CarPlay condenses your phone's apps into those which are compatible with the system and enable handsfree handling which is the primary selling point of the CarPlay application Handsfree operation enhances safety and CarPlay goes as far as disabling your iPhone screen while it is connected to the system CarPlay can be controlled using the navigation controls touchscreen or ideally Siri which acts as a co-pilot which can tell you what's around you where to go make your calls for you select songs and audio files to play navigate options and apps and send messages while you are on the go so you never have to take your eyes off the road or your hands off the wheel **Deputy secretary of defense,**
