Ann Gimpel, 2021-02-14 Bundled together for the first time Over 1200 pages of riveting vampiric urban fantasy

Harsh Line My very existence is under attack I've kept a low profile told myself the craziness sweeping the world would pass me by Yeah it was wishful thinking actually an outright lie but it's kept me sane I've been hiding out forever in one guise or another Currently I run a nightclub Ascent is an ask me no questions and I'll tell you no lies haven't For everybody I'm a Vampire Far be it from me to judge My closest ally is a shapeshifting dire wolf I adopted him when he was a scrawny puppy but I'm getting ahead of my tale The fragile détente between supernaturals and humans has crashed and burned I can't avoid the truth any longer Lucky for me mortals don't know exactly what I am When I moved to Seattle some vampiric sixth sense urged me to play my cards close to my vest but I'm done burying my secrets And my power Warped Line I chose stasis a long sleep for me and two of mine Hard to time these things but we woke in the eye of a cyclone When I went to sleep to avoid being drained of magic and blood by dark Sorcerers Vampires weren't exactly on the endangered species list but not many of us are left No one ever accepted us Not mortals and not others with power either At least one of those dams has developed a few cracks Supernaturals aren't quite welcoming but they'll take help from any quarter Mortals have declared war on magic and they won't rest until we're all sitting in iron clad prisons What a bunch of cowards If they weren't hiding behind false humanitarian walls they'd be honest about their intentions and do their damndest to kill us outright Cracked Line Vampires don't fall in love Except I did Not the best decision of my long life I definitely cracked an unspoken line but Ariana trounced me as far as line crossing went Very few acts constitute crimes in Vampire circles Hers was the worst I fled to the Old Country to buy myself thinking time I still loved her but what she'd done was so vile I couldn't set it aside We face huge problems but I'm tackling them one by one I'll return to Ariana's side but perhaps only as her comrade in arms Time will tell if we can be more to each other Time and circumstances In a world without magic Vampires will wither along with every other magic wielder I cannot let that happen Broken Line In all my years as a Vampire hundreds of them I never imagined

humans would be anything other than food Rich pure delectable blood Prey that fought back never posed a problem Mortals couldn't stand against those of us with supernatural ability That world still exists but it's taken a backseat to humans who've joined forces with turncoat mages Mortals were never meant to wield power Over the long haul they're sure to be very sorry for the choices they've made Maybe someday I'll be a humble innkeeper again but it's so far in the future I can't even think about it Nope For now all I see is blood Rivers of it and not running down my gullet either On the plus side I have good friends powerful allies and a Vampire who loves me We have to come through this unscathed Have to I'm Ariana Hawke and I take care of what's mine *Gatekeeper, Books 1-3* Ann Gimpel, 2021-02-14 If you like 'em dead This is the urban fantasy series for you Over 900 pages of edge of your seat Reaper action Vampires too Shadow Reaper The dead are restless and a whole lot less cooperative than they have been That was true even before I drew the short straw and ended up with Vampire duty Since then Reaping has taken way more time So much I'm worried I'll lose all the clients from the career that actually feeds me I run a small private pilot school It pays most of the bills and means I don't have to keep regular hours Death wants me to remain in one piece She's bailed me out often enough she's all but ordered me to find other employment I just smile and nod after our little talks and then I climb back into a cockpit Our last toe to toe didn't go so well She went and assigned Vampires to me That's when Reaping turned into a million hour a week job I can almost hear the Reaper who was stuck with them before laughing his head off I shepherd souls to the other side Vampires have zero interest in leaving but I have a quota to fill Means I have to trick them but it didn't work for long They're onto me Damn Death anyway She painted a target on my back and now the Vamps are out for blood In more ways than one Rebel Reaper Come fly with me Catchy huh It works for airplanes Maybe it will work for the dead once I launch my own Reaping business Except my new tagline will be come die with me Back when my life was simpler I thought all I had to do was hold gateways for the dead to pass through Silly me I actually enjoyed Reaping Almost like a drug or fine old whiskey it made me high filled me with delight and left me glowing with the rightness of providing a last bit of compassion Good little Reaper that I am I never examined any of it too deeply just crafted portals exactly as Death trained me Ha She neglected to mention I command way more magic than she'd let on in Reaper school Death smiled pretty to my face and then lied to me Used me Me and all the other Reapers I can't not Reap It's hardwired into me But I can tell Death I quit Big words I have no idea if I've got the guts to follow through or what Death would do about open insubordination I've always liked to live on the wild side though so I guess I'm about to find out Untamed Reaper I did it I'm free Well sort of Freedom isn't as cut and dried as the word implies In this case I'm at the top of Death's Worst Reaper Ever list What it signifies remains to be seen I broke free from Death because there wasn't any other way out of Reaping Vampires She refused to let me off the hook or consider other arrangements I'd have been content leaving it at that but word about my choice got out Other Reapers clamored for independence too Death's fury expanded another notch with every defection until nowhere is far enough away for me to run to If I was only fighting her it might be

manageable Toss in Vampires who hate my guts a phalanx of dark gods who want my hide and a bunch of bigoted mortals who've decided magic is holding them back. Nah. Humans are their own worst enemy but they're the least of my problems. It's been a rocky journey. Along the way I've uncovered allies and even a man who loves me. Will we be enough to slam the gates and send darkness packing? We have to be. No prisoners. No choices. Luke Irontree & The Last Vampire War (Books 8-10) C. Thomas LaFollette, 2024-05-19. Luke Irontree just wanted to fly home. But the vampires had other ideas. Luke yearns to return to his friends and family after a hard winter fighting against the vampires of Western Europe. But when their plane is grounded in Portland, Maine, they stumble on a deadly plot to terrorize the region. Trapped 3,000 miles from home, Luke refuses to abandon the Maine pack to the predations of the vampires. Together with Roxi and his crew of werewolves, he rallies the locals and organizes their defenses. But what they find in the woods of Maine may be too much for their small team and their untested new allies. If Luke wants to see his loved ones again, he'll need to use all his resources to unite the disparate packs of the northeast. But with the vampires and their dark god tightening the noose around his neck, his best might not be enough if he wants to live and return home. *The Handbook of Urban Druidry* Brendan Howlin, 2014-03-28. Druidry is currently exciting much interest but has an image that is not usually associated with urban life. In *The Handbook of Urban Druidry*, author Brendan Howlin presents Druidry in an easy-to-understand way, making the concepts open to everyone. Magick and Misfits, Books 1-4 Ann Gimpel, 2021-03-25. Urban fantasy and slow burn romance wrapped into a serial that will keep you up reading long into the night. Over a thousand pages of pure delight. Strange bedfellows rock worlds. Court of Rogues. Reluctant recruit to the nines. I became Faery's regent by default. Sure, I was next in line for the throne, but I never believed Oberon and Titania were gone for good until first a decade rolled by and then two and then ten. They'll never be back and the land is mourning. Or pissed. It's hard to tell which, and I'm not sure what difference it makes. I split my time between Faery and Earth, searching for a way to mend the rift that's killing my realm. I haven't made much progress. Time is running through the glass, mocking my paltry efforts. A sultry Witch is barely a blip on the radar. So what if she counts cards in the casino I run on Earth and makes my pit boss a little nuts? Out of the blue, she spits out the unbelievable, and I discover she's not a Witch after all. A glamour hid her Fae/Sidhe blood so well she'd fooled me. Her mixed blood is an affront. By rights, I should haul her before the Court to face justice. She understood the chance she took, revealing herself to me, and her offer to join forces is tempting, but it could cost me my throne. Some risks are worth the price. If I cross the line, there'll be no going back. Midnight Court. My days as Faery's reluctant regent have crashed and burned. Either I left the land to rot in a squalid soup of broken promises, or I destroyed her enemies one by one. No choice there. Not really. I'd known some of those enemies since childhood, which was centuries ago. They say familiarity breeds contempt. In my case, it bred sorrow as I consigned Fae who'd been friends to eternal destruction and fed them to the land. Dariyah, the Witch who wasn't one, crossed my path for reasons I'm still figuring out. Her long-lost mother presided over one of Faery's many dirty secrets, the Midnight Court. Some

like to believe Fae blood is pure It s not We and the Sidhe are joined at the hip and the Midnight Court was once a living symbol of our bond Court of the Fallen Faery has changed so much I barely recognize her The worst part is I didn t see this coming A few minor skirmishes sure but the Unseelie fielded tens of thousands against us The King of Winter is finally exacting revenge against the consort who spurned him The rest of us are collateral damage He played his hand well attracted powerful allies and punted us into a definite one down position For the moment Pegasus is the king s primary ally I possess knowledge that will blow their partnership sky high And proof in case neither of them believes me Timing is everything though We must wrest Faery from the enemy I finally hold the land link but success is far from a foregone conclusion More blood will flow before we re done Buckets of the stuff but I can t let that stop me Court of Destiny Faery s castle lies in ruins a reflection of the rest of a land I love My land my realm has altered almost beyond recognition The part that hasn t changed is the incredible people and creatures who live in Faery Unicorns Fauns Satyrs Fae Sidhe Their spirits have been indomitable and it makes me proud to call them brothers But then the Unseelie used to be brethren too Now they stand against us along with a collection of monsters intent on sucking every last breath of life from Faery The worst part about all of this has been not knowing whom I can call friend As we lurch into the endgame my life soul and fortunes are linked with the woman I love We rise or fall together If it comes down to a gut wrenching choice will I pick Faery or Dariyah Gissing and the City J. Spiers,2005-11-01 Gissing and the City Cultural Crisis and the Making of Books in Late Victorian England addresses the late Victorian cultural crisis and aesthetic revolt in urban life politics literature and art by special reference to the experience of the shocks of the new urban environment and literary and artistic responses It does so through interdisciplinary discussion of the novels of George Gissing whose work is particularly linked to the city and the crisis of urban experience especially in the archetypal modern imperial city Historicizing Colonial Nostalgia P. Lorcin,2011-12-15 Comparative study of the writings and strategies of European women in two colonies French Algeria and British Kenya during the twentieth century Its central theme is women s discursive contribution to the construction of colonial nostalgia **Suburban Space, the Novel and Australian Modernity** Brigid Rooney,2018-11-15 Suburban Space the Novel and Australian Modernity investigates the interaction between suburbs and suburbia in a century long series of Australian novels It puts the often trenchantly anti suburban rhetoric of fiction in dialogue with its evocative and imaginative rendering of suburban place and time Suburban Space the Novel and Australian Modernity rethinks existing cultural debates about suburbia in Australia and elsewhere by putting novelistic representations of suburbs suburban interiors homes streets forms and lives over time in dialogue with the often negative idea of suburbia in fiction as an amnesic and conformist cultural wasteland Suburban space the novel and Australian modernity shows in other words how Australian novels dramatize the collision between the sensory terrain of the remembered suburb and the cultural critique of suburbia It is through such contradictions that novels create resonant mental maps of place and time Australian novels are a prism through which suburbs as sites of everyday colonization defined by

successive waves of urban development are able to be glimpsed sidelong
