Scoffing at Scripture Frank Bolger Kelly, 2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disentrail themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the sacred scriptures of several of the world's major religions the alleged bedrocks of these various creeds in a last ditch effort to

achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World s Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world s priestly and virtually allmale elites With the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference Kelly s intent is to facilitate critical analysis of the world s holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world s major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World s Holy Writ and Rejects Traditional Religion a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance

contact with the global history of philosophy and religion From cybernetics to liberation theology from ancient Indian and Chinese philosophy to Marxist dialectical materialism from traditional religious practices to contemporary art music and film Red Enlightenment sets out a plausible secular spirituality a new socialist praxis and a utopian vision *Religious Freedom and Religious Pluralism in Africa* Pieter Coertzen, M Christian Green, Len Hansen, 2016-05-22 Africa continues to be a region with strong commitments to religious freedom and religious pluralism These however are rarely mere facts on the ground they are legal political social and theological projects that require considerable effort to realise This volume compiling the proceedings of the third annual conference of the African Consortium for Law and Religion Studies focuses on various issues which vastly effect the understanding of religious pluralism in Africa These include amongst others religious freedom as a human right the importance of managing religious pluralism and the permissibility of religious practice and observance in South African public schools **The Shari'a and Islamic Criminal Justice in Time of War and Peace** M.
