Closer Than Close Dave Hickman, 2016-08-01 How many times have you heard someone say I want to be close to God or I feel far from Jesus For many of us we have been led to believe that our relationship with Jesus is based on

proximity a sliding scale of near or far based on the faithfulness of our spiritual devotion But what if being close to you isn't good enough for Jesus What if he wants to be closer than close Instead of simply having a personal relationship with you what if Jesus longs to be perfectly one with you instead In this achingly bold and beautiful book pastor scholar friend and now author Dave Hickman invites you into his personal journey from striving to abiding anxiety to peace weariness to rest from having a relationship with Jesus to awakening to the freedom of his union with Christ Through careful attention to Scripture personal stories and everyday examples join Dave as he guides you into the depths of the mystery of your personal and corporate union with Christ In doing so you too can awaken to the wonder and freedom that is already yours in Christ

Heaven Is Closer Than You Think Fred Blom, 2022-08-22 This is a testimony of real life not games or movies The majority of the people in the world don't believe in the one and only God Then there are fewer who believe in Jesus Christ Of that group how many drift in and out of this commitment How many worship with their lips but not their hearts My parents and relatives fell into the group of there is no God just nature and the natural renewal of its cycle For me curiosity was the thing I had to know the beginning and end of everything step by step It's the way I am built I want every breath and every step I take to take me closer to Jesus Christ Walk with me and we will see how close heaven really is to us Run away with me and I bet we will run right into the hand of God I have done it a couple of times I want you to come with me Please it's important Why write this testimony of life Did I say Please come along with me Well we all have the happy and sad the hard and easy and the close to God whether we are aware of it or not and the far from God which we do not understand Just a few weeks ago I asked my Father in heaven if I should continue to write the first testimonials each month or perhaps even reveal the deep things that have helped me through life In the process and time of seven days I was shown how the hidden secrets of heaven work To me it's funny serious and truthful this simple thing connecting so many things together that have occurred in my life I work on my testimonial stories at night It was the hand of God that led me to do that no doubt and you will learn that a little later There are always more people to give them to than I can accomplish Maybe I should put them in a book for everyone Father I don't have the time or know how I felt something like a tap on the back of my head when I prayed that I slapped my hand over my mouth trying to take it back at the same time I looked behind myself to see if something had fallen off the wall I stopped praying took a big sigh and went to sleep Why did I say too busy I wrestled all night with The secrets of heaven are my Lord Jesus Christ's but that which he gives us are ours For there is nothing covered that shall not be revealed neither hid that shall not be known Luke 12:2 I was referred to recently as the little lion that would not roar and the lost generation Then a voice stood up for me and said No this is the one who walks the dusty road I wanted to respond but I fell to the ground in weakness because of the awesomeness around me I was shown the loss of mankind and told to go forth with the testimony I was given I cry and pray with great supplication before the heavenly throne of our savior Jesus Christ I don't want anyone to be lost Love in Christ Fred Washington News Letter ,1904 **Musical times and singing-class**
