social history and the American history survey *The American South* William J. Cooper, Jr., Thomas E. Terrill, 2009-01-16 In *The American South* William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the south from the history of the United States Each volume includes a substantial biographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South Coverage now includes the devastation of Hurricane Katrina in 2005 up to date analysis of the persistent racial divisions in the region and the South s unanticipated role in the 2008 presidential primaries *Formula for Fortune* Ann Uhry Abrams, 2012 Asa Candler rose from a rural background to reap a fortune His windfall came from purchasing the Coca Cola formula in 1888 and establishing the company that became a national phenomenon in less than a decade In *Formula for Fortune* author Ann Uhry Abrams narrates the life and times of Candler from his ancestral background to the death of the last of his five children *Formula for Fortune* not only shows how he turned his entrepreneurial genius into an empire but also relates his status in Atlanta Georgia as a prominent banker realtor philanthropist civil servant and mayor Painting a lively portrait of the past this biography tells a fascinating American story that covers a century of American and Southern life as seen through the eyes of a middle class family elevated to prominence by their patriarch s incredible success It not only provides a peek into the horse and buggy days of one of the nation s major corporations but also follows Coca Cola s fascinating transformation from patent medicine to international phenomenon Family dynamics weave through this drama of love disappointments and disaster played out against the background of four wars a race riot technological revolutions and numerous courtroom dramas

The New Encyclopedia of Southern Culture John T. Edge, 2014-02-01 When the original *Encyclopedia of Southern Culture* was published in 1989 the topic of foodways was relatively new as a field of scholarly inquiry Food has always been central to southern culture but the past twenty years have brought an explosion in interest in foodways particularly in the South This volume marks the first encyclopedia of the food culture of the American South surveying the vast diversity of foodways within the region and the collective qualities that make them distinctively southern Articles in this volume explore the richness of southern foodways examining not only what southerners eat but also why they eat it The volume contains 149 articles almost all of them new to this edition of the *Encyclopedia* Longer essays address the historical development of southern cuisine and ethnic contributions to the region s foodways Topical essays explore iconic southern foods such as MoonPies and fried catfish prominent restaurants and personalities and the food cultures of subregions and individual cities The volume is destined to earn a spot on kitchen shelves as well as in libraries **The Ashgate Research Companion to World Methodism** William Gibson, Peter Forsaith, Martin Wellings, 2016-03-23 As a religious and social phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This *Companion* brings together a team of respected international scholars writing on key themes in World Methodism to produce an authoritative and state of the art review of

current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism s emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodists roles in a range of philanthropic and social movements including the abolition of slavery education and temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource for scholars worldwide particularly those in the UK North America Asia and Latin America

The New Encyclopedia of Southern Culture Melissa Walker,James C. Cobb,Charles Reagan Wilson,2014-02-01 Volume 11 of The New Encyclopedia of Southern Culture examines the economic culture of the South by pairing two categories that account for the ways many southerners have made their living In the antebellum period the wealth of southern whites came largely from agriculture that relied on the forced labor of enslaved blacks After Reconstruction the South became attractive to new industries lured by the region s ongoing commitment to low wage labor and management friendly economic policies Throughout the volume articles reflect the breadth and variety of southern life paying particular attention to the region s profound economic transformation in recent decades The agricultural section consists of 25 thematic entries that explore issues such as Native American agricultural practices plantations and sustainable agriculture Thirty eight shorter pieces cover key crops of the region from tobacco to Christmas trees as well as issues of historic and emerging interest from insects and insecticides to migrant labor The section on industry and commerce contains 13 thematic entries in which contributors address topics such as the economic impact of military bases resistance to industrialization and black business Thirty six topical entries explore particular industries such as textiles timber automobiles and banking as well as individuals including Henry W Grady and Sam M Walton whose ideas and enterprises have helped shape the modern South

The Child in American Evangelicalism and the Problem of Affluence David A. Sims,2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological

consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity s underside The result is the AAEC s spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro s theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider s moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century **Mad for Speed** Elsa A.

Nystrom,2013-06-13 This book covers Joan Newton Cuneo s life and her roles from 1905 to 1915 as the premier female racer in the United States and spokeswoman for women drivers and good roads Beginning with her family history and marriage to Andrew Cuneo it traces her life in New York society the birth of her children and Joan s growing interest in automobile touring and racing and partnership with Louis Disbrow her racing mechanic The book covers Joan s experiences in three Glidden Tours including her notes on the 1907 tour her first races and her rivals It also looks at the growth and change of automobile culture and the battles for control of racing among the American Automobile Association the Automobile Club of America and the American Automobile Manufacturers Association which ended in banishing women racers shortly after Joan s greatest racing victories at New Orleans in 1909 The book then follows Joan s attempts to continue racing the end of her marriage her move to the Upper Peninsula and her remarriage and death The book also includes a chapter on her female rivals in racing and touring *The Oxford Handbook of Business History* Geoffrey Jones,Jonathan Zeitlin,2008-01-25 This

Handbook provides a state of the art survey of research in business history Business historians study the historical evolution of business systems entrepreneurs and firms as well as their interaction with their political economic and social environment They address issues of central concern to researchers in management studies and business administration as well as economics sociology and political science and to historians They employ a range of qualitative and quantitative methodologies but all share a belief in the importance of understanding change over time The Oxford Handbook of Business History has brought together leading scholars to provide a comprehensive critical and interdisciplinary examination of business history organized into four parts Approaches and Debates Forms of Business Organization Functions of Enterprise and Enterprise and Society The Handbook shows that business history is a wide ranging and dynamic area of study generating compelling empirical data which has sometimes confirmed and sometimes contested widely held views in management and the social sciences The Oxford Handbook of Business History is a key reference work for scholars and

advanced students of Business History and a fascinating resource for social scientists in general *Holy Hype* Susan H. Sarapin, Pamela L. Morris, 2022-01-13 *Holy Hype* Religious Fervor in the Advertising of Goods and the Good News defines and explores the intersection of the sacred religious symbols themes and rhetoric within the profane realm of advertising and promotion Susan H Sarapin and Pamela L Morris trace the historical overlap of consumer and religious ideologies in society offering detailed examples of its use throughout history through analyses of over a hundred collected advertisements from monks selling copiers to billboard messages from God to angels and the worship of vodka Throughout the book the authors continually evaluate if and when the technique of holy hype is effective through its use of recognizable sacred symbols that capture audiences attentions and inspire both positive and negative emotions Scholars of communication media studies religion advertising and cultural studies will find this book particularly useful **Atlanta's Historic Westview Cemetery** Jeff Clemmons, 2018 In 1884 several leading citizens purchased 577 acres to open Atlanta's Westview Cemetery The rolling terrain part of which was a site in the Civil War battle of Ezra Church became the final resting place for more than 100 000 people Prominent locals buried here include Grant Park namesake L P Grant author Joel Chandler Harris High Museum benefactor Harriet High Coca Cola founder Asa Candler Sr and Havertys founder J J Haverty The cemetery's Westview Abbey mausoleum is one of the nation's largest with more than eleven thousand crypts Throughout its history Westview dabbled in other business ventures including a cafeteria a funeral home and an ambulance service And for decades the cemetery's Westview Floral Company sold flowers to lot owners and local businesses leading to its own advice column in the Atlanta Constitution Author Jeff Clemmons traces the complete history of this treasured necropolis For God, Country, and Coca-Cola Mark Pendergrast, 2013-05-14 *For God Country and Coca Cola* is the unauthorized history of the great American soft drink and the company that makes it From its origins as a patent medicine in Reconstruction Atlanta through its rise as the dominant consumer beverage of the American century the story of Coke is as unique tasty and effervescent as the drink itself With vivid portraits of the entrepreneurs who founded the company and of the colorful cast of hustlers swindlers ad men and con men who have made Coca Cola the most recognized trademark in the world this is business history at its best in fact *The Real Thing* *Modern Cronies* Kenneth H. Wheeler, 2021-05 *Modern Cronies* traces how various industrialists thrown together by the effects of the southern gold rush shaped the development of the southeastern United States Existing historical scholarship treats the gold rush as a self contained blip that aside from the horrors of Cherokee Removal admittedly no small thing and a supply of miners to California in 1849 had no other widespread effects In fact the southern gold rush was a significant force in regional and national history The pressure brought by the gold rush for Cherokee Removal opened the path of the Western some of these iron makers became the industrial talent in the fledgling postbellum city of Birmingham Alabama This book explicates the networks of associations and interconnections across these varied industries in a way that newly interprets the development of the southeastern United States *Modern Cronies* also reconsiders

the meaning of Joseph E Brown Georgia's influential Civil War governor political heavyweight and wealthy industrialist Brown was nurtured in the Etowah Valley by people who celebrated mining industrialization banking land speculation and railroading as a path to a prosperous future Kenneth H Wheeler explains Brown's familial religious and social ties to these people clarifies the origins of Brown's interest in convict labor and illustrates how he used knowledge and connections acquired in the gold rush to enrich himself After the Civil War Brown aided by his sons dominated and modeled a vigorous crony capitalism with far reaching implications [The New Encyclopedia of Southern Culture \(Volume 1 of 2\) \(EasyRead Super Large 18pt Edition\)](#) , *Country Capitalism* Bart Elmore,2023-04-06 The rural roads that led to our planet changing global economy ran through the American South That region's impact on the interconnected histories of business and ecological change is narrated here by acclaimed scholar Bart Elmore who uses the histories of five southern firms Coca Cola Delta Airlines Walmart FedEx and Bank of America to investigate the environmental impact of our have it now fly by night buy on credit economy Drawing on exclusive interviews with company executives corporate archives and other records Elmore explores the historical economic and ecological conditions that gave rise to these five trailblazing corporations He then considers what each has become an essential presence in the daily workings of the global economy and an unmistakable contributor to the reshaping of the world's ecosystems Even as businesses invest in sustainability initiatives and respond to new calls for corporate responsibility Elmore shows the limits of their efforts to green their operations and offers insights on how governments and activists can push corporations to do better At the root Elmore reveals a fundamental challenge Our lives are built around businesses that connect far flung rural places to urban centers and global destinations This country capitalism that proved successful in the US South has made it possible to satisfy our demands at the click of a button but each click comes with hidden environmental costs This book is a must read for anyone who hopes to create an ecologically sustainable future economy **Katharine and R.J. Reynolds** Michele Gillespie,2020-10-07 A tour de force a top notch study of a powerful couple negotiating the shifting socioeconomic world of the New South and early corporate America *Journal of American History* Separately they were formidable together they were unstoppable Despite their intriguing lives and the deep impact they had on their community and region the story of Richard Joshua Reynolds and Katharine Smith Reynolds has never been fully told Now Michele Gillespie provides a sweeping account of how R J and Katharine succeeded in realizing their American dreams From relatively modest beginnings R J launched the R J Reynolds Tobacco Company which would eventually develop two hugely profitable products Prince Albert pipe tobacco and Camel cigarettes His marriage in 1905 to Katharine Smith a dynamic woman thirty years his junior marked the beginning of a unique partnership that went well beyond the family As a couple the Reynoldses conducted a far ranging social life and under Katharine's direction built Reynolda House a breathtaking estate and model farm Katharine and R J Reynolds is an engrossing study of a power couple extraordinaire Telling us much about an unusual relationship Michele Gillespie also provides a new way to

understand how the post Reconstruction New South elite helped construct business structures social relations and racial hierarchies The result is an important addition to our understanding of the industrial South in the North Carolina Piedmont heartland William A Link author of *The Paradox of Southern Progressivism* Ms Gillespie uses Katharine s life and work as a kind of prism through which to view the prejudices and predilections of Southern culture in the 1910s and 1920s *The Wall Street Journal*
