Gods Companions Reimagining Christian Ethics:

God's Companions Samuel Wells, 2008-04-15 We are pleased to announce that *God's Companions* by Samuel Wells has been shortlisted for the 2007 Michael Ramsey Prize for theological writing www.michaelramseyprize.org.uk Grounded in Samuel Wells' experience of ordinary lives in poorer neighborhoods, this book presents a striking and imaginative approach to Christian ethics. It argues that Christian ethics is founded on God, on the practices of human community, and on worship, and that ethics is fundamentally a reflection of God's abundance. Wells synthesizes dogmatic, liturgical, ethical, scriptural, and pastoral approaches to theology in order to make a bold claim for the centrality of the local church in theological reflection. He considers the abundance of gifts God gives through the practices of the Church, particularly the Eucharist. His central thesis, which governs his argument throughout, is that God gives his people everything they need to worship him, be his friends, and eat with him. Wells engages with serious scholarly material yet sets out the issues lucidly for a student audience.

The Poetics of Grace: Christian Ethics as Theodicy Jeph Holloway, 2013-04-09 What is God doing about a world marked by conflict and division? What about a world in which our technologies promise great good but also threaten our existence? What is God doing in a world where the demands for accumulation and acquisition create division and despair? Can Christians hope to be of positive influence in a world that does not always support, reflect, or even understand Christian commitments? Christian ethics often raises such questions as these, and the possible answers vary widely. Paul's Letter to the Ephesians is a tremendous resource for exploring a faithful response to perhaps the toughest question of all: what is God doing about evil? The role of Christian ethics is to take seriously the challenge that whatever God is doing, God calls us to participate in a distinctive task that embraces our own commitments and labors within the divine purpose. Ephesians says that God has taken the initiative to pursue that purpose and remarkably offers that we ourselves are part of the answer to the question: what is God doing about evil?

Sharing Friendship John B. Thomson, 2016-03-03 *Sharing Friendship* represents a post-liberal approach to ecclesiology and theology generated out of the history, practices, and traditions of the Anglican Church. Drawing on the theological ethics of Stanley Hauerwas, this book explores the way friendship for the stranger emerges from contextually grounded reflection and conversations with contemporary Anglican theologians within the English tradition, including John Milbank, Oliver O'Donovan, Rowan Williams, Daniel Hardy, and Anthony Thiselton. Avoiding abstract definitions of character, mission, or friendship, John Thomson explores how the history of the English Church reflects a theology of friendship and how discipleship in the New Testament, the performance of worship, and the shape of Anglican ecclesiology are congruent with such a theology. The book concludes by rooting the theme of sharing friendship within the self-emptying, kenotic performance of Jesus' mission and looks at challenges to the character of contemporary Anglican ecclesiology represented by secularization and globalization, as well as by arguments over appropriate new initiatives such as Fresh Expressions.

Resurrection and Moral Imagination Sarah Bachelard, 2016-04-08 Moral life gathers its shape

force and meaning in relation to an underlying sense of reality imaginatively conceived Significant contemporary writing in philosophy appeals to the concept of transcendence to explore what is deepest in our moral experience but leaves this notion theologically unspecified This book reflects on the appeal to transcendence in ethics with reference to the Resurrection of Jesus Bachelard argues that the Resurrection reveals that the ultimate reality in which human life is held is gracious forgiving and reconciling a Goodness that is for us Faith in this testimony transforms the possibilities of moral life both conceptually and in practice It invites our participation in a goodness experienced non dualistically as grace and so profoundly affects the formation of the moral self the practice of moral judgement and the shape of moral concepts From this perspective contemporary philosophical discussion about transcendence in moral thought is cast in a new light and debates about the continuity between theological and secular ethics gain a thoroughly new dimension Bachelard demonstrates that placing the Resurrection at the heart of our ethical reflection resonates with the deepest currents of our lived moral experience and transfigures our approach to moral life and thought

Eucharist Shaping and Hebert's Liturgy and Society Andrew Bishop, 2016-03-31 The contemporary Church of England is wrestling with issues around the relationship between its worship and mission and relating both to wider society Much of this hinges on an understanding of the nature of the Church Gabriel Hebert s seminal book *Liturgy and Society* 1935 took as its subtitle *The Function of the Church in the Modern World* For many this book inspired engagement with Eucharistic worship with new patterns emerging paving the way for further liturgical reform in the second half of the twentieth century Eucharist Shaping and Hebert s *Liturgy and Society* re examines Hebert s work doing so uniquely in the light of the current dialogue about Church liturgy and mission Andrew Bishop argues that Hebert s contribution has been overlooked latterly and that a re appreciation opens up fruitful ways of thinking and acting making this book a distinctive contribution to a lively debate If the options are reaction or novelty Eucharist Shaping and Hebert s *Liturgy and Society* shows how Hebert s thinking subtly undermines both

The Hunger Inside Bradley Roth, 2022-04-05 The meal that Jesus of Nazareth gave his followers celebrated with grand liturgy and golden chalice or words pared lean and tiny plastic cups is the distinctive rite of the church The Eucharist is regarded as the source and summit of Christian faith or maybe just a symbol but what all Christians know is that Holy Communion does something It s what and how the supper does what it does that divides us In *The Hunger Inside* Brad Roth explores the myriad ways the Lord s Supper transforms lives As on that ancient gospel hill where more than 5 000 hungry people were fed the abundance of Jesus table touches uncountable human stories Drawing generously on eclectic theological traditions Roth takes a

narrative driven approach to plumb the rich depths of symbolism power and presence communicated in the communion meal This book is a call for all followers of Jesus to encounter again the One who meets our deepest hungers at his table

"Christianity, Democracy, and the Radical Ordinary" Romand Coles, Stanley Hauerwas, 2010-02-25 These essays reflect possibilities and practices of radical democracy and radical ecclesia that take form in the textures of relational care for the radical ordinary Hauerwas and Coels point out political and theological imaginations beyond the political formations which seems to be the declination and the production of death The authors call us to a revolutionary politics of wild patience that seeks transformation through attentive practices of listening relationship building and a careful tending to places common goods and diverse possibilities for flourishing

Cultivating an Evangelistic Character Christopher James Schoon, 2018-04-24 This project explores the relationship between worship discipleship and evangelism within the missional church movement Engaging contributions from liturgical theology Christian ethics and post Christendom evangelism the book proposes a missional approach to worship that when integrated with a praxis oriented discipleship cultivates Jesus character among God's people Along the way the project attends to the Holy Spirit's transformative presence the liturgical rhythms of remembering and anticipating and the practices of hospitality and compassion In the end *Cultivating an Evangelistic Character* contends that the Spirit works through the integration of worship and discipleship to form God's people In other words God's people become evangelistic or as Newbigin said the hermeneutic of the gospel
