## **Godwink On The Wings Of Butterflies:**

**Godwink** Bridgette Hester, Terri Lang, 2012-12 The death of a spouse is one of those life events that can completely derail someone from his or her life's path. What was once expected even taken for granted no longer exists. Reality for the surviving spouse is forever altered and he or she can be left feeling lost and abandoned. **Godwink On the Wings of Butterflies** is author Bridgette Hester's story of her walk from grief to grace after the tragic and unexpected loss of her husband. After years of wandering away from God, Hester felt an assault on her faith after her husband's passing. This memoir chronicles her journey back to God and to a life filled with love and joy. Through her own story, Hester hopes to provide others with proof of happiness after tragedy and the truth about the one true God. **Godwink** will speak volumes to people who have lost a mate to those who struggle with step parenting and to those who know that in their heart of hearts they need to commit their lives to God. Not only is the transformation fantastic but the LIFE LESSONS that can be learned from this transformation are equally fantastic. Unfortunately many of the most basic facts about the butterfly life cycle are misunderstood and inaccurately taught. Follow the captivating and colorful butterfly life cycle from egg to caterpillar to chrysalis to adult butterfly. But life is not always as simple as it may seem as two little caterpillars soon discover. The two happy little caterpillars are enjoying a day of fun when they are confronted by butterflies from a neighboring tree who tease the little caterpillars for not having wings. Inspired and encouraged by their mother the little caterpillars find hope and courage that one day they too will be as beautiful as their mother. In addition to a wonderful and captivating story each beautifully illustrated page is loaded with amazing facts that will have you saying I never knew that. For example Did you know that the term cocoon when referring to a butterfly is not correct. Do you know what the difference is between a cocoon and a chrysalis. Did you know that the chrysalis of a butterfly often incorrectly referred to as a cocoon is not spun by the caterpillar. It's true. A butterfly does not come from a cocoon.
