Goethes Faust And Cultural Memory Comparatist Interfaces:

Goethe's Faust and Cultural Memory Lorna Fitzsimmons, 2012

Goethe's Faust and Cultural Memory Lorna

Fitzsimmons, 2012-08-17 This book is an interdisciplinary collection of essays examining Goethe's Faust and its derivatives in European North American and South American cultural contexts Topics include the authority of the word in Faust and Dr Faustus cultural memory of Herder the Eternal Feminine Coleridge's responses to Faust Argentinean adaptations performances by Peter Stein and the Goetheanum Canadian reception of Faust Werner Fritsch's multimedia project Faust Sonnengesang and the relevance of Faust for models of artificial intelligence

Goethe Yearbook 24 Adrian

Daub, Associate Professor of German Studies Adrian Daub, Elisabeth Krimmer, 2017-06-15 Cutting edge scholarly articles on diverse aspects of Goethe and his age featuring in this volume a special section on the poetics of space in the Goethezeit The Goethe Yearbook is a publication of the Goethe Society of North America encouraging North American Goethe scholarship by publishing original English language contributions to the understanding of Goethe and other authors of the Goethezeit while also welcoming contributions from scholars around the world Volume 24 features a special section titled The Poetics of Space in the Goethezeit co edited by John Lyon and Elliott Schreiber with contributions on blind spots in Goethe's Elective Affinities on the topography and topoi of Goethe's autobiographical childhood on disorientation and the subterranean in Novalis on selfhood sovereignty and public space in Die italienische Reise and Dichtung und Wahrheit on Goethe's theater of anamnesis in Wilhelm Meisters Lehrjahre and on spatial mobilization in Kleist's Berliner Abendblätter There are also articles on the horror of coming home in Caroline de la Motte Fouqué's Der Abtrünnige and on Friedrich Heinrich Jacobi's Eduard Allwills Papiere Contributors Colin Benert Stephanie Galasso Tove Holmes Edgar Landgraf Sara Luly John B Lyon Anthony Mahler Monika Nenon Joseph O Neil Elliott Schreiber Inge Stephan Gabriel Trop Christian P Weber Adrian Daub is Associate Professor of German at Stanford Elisabeth Krimmer is Professor of German at the University of California Davis Book review editor Birgit Tautz is Associate Professor of German at Bowdoin College

The Oxford Handbook of Faust in Music Lorna

Fitzsimmons, Charles McKnight, 2019 Since its emergence in sixteenth century Germany the magician Faust's quest has become one of the most profound themes in Western history Though variants are found across all media few adaptations have met with greater acclaim than in music Bringing together more than two dozen authors in a foundational volume The Oxford Handbook of Faust in Music testifies to the spectacular impact the Faust theme has exerted over the centuries The Handbook's three part organization enables readers to follow the evolution of Faust in music across time and stylistic periods Part I explores symphonic choral chamber and solo Faust works by composers from Beethoven to Schnittke Part II discusses the range of Faustian operas and Part III examines Faust's presence in ballet and musical theater Illustrating the interdisciplinary relationships between music and literature and the fascinating tapestry of intertextual relationships among the works of Faustian music themselves the volume suggests that rather than merely retelling the story of Faust these

musical compositions contribute significant insights on the tale and its unrivalled cultural impact Music in Goethe's Faust Lorraine Byrne Bodley, 2017 Goethe's Faust a work which has attracted the attention of composers since the late eighteenth century and played a vital role in the evolution of vocal operatic and instrumental repertoire in the nineteenth century has had a seminal impact in musical realms **Faust Adaptations from Marlowe to Aboudoma and Markland** Lorna Fitzsimmons, 2016-10-15 Faust Adaptations edited and introduced by Lorna Fitzsimmons takes a comparative cultural studies approach to the ubiquitous legend of Faust and his infernal dealings Including readings of English German Dutch and Egyptian adaptations ranging from the early modern period to the contemporary moment this collection emphasizes the interdisciplinary and transcultural tenets of comparative cultural studies Authors variously analyze the Faustian theme in contexts such as subjectivity genre politics and identity Chapters focus on the work of Christopher Marlowe Johann Wolfgang von Goethe Adelbert von Chamisso Lord Byron Heinrich Heine Thomas Mann D J Enright Konrad Boehmer Mahmoud Aboudoma Bridge Markland Andreas G ssling and Uschi Flacke Contributors include Frederick Burwick Christa Knellwolf King Ehrhard Bahr Konrad Boehmer and David G John Faust Adaptations demonstrates the enduring meaningfulness of the Faust concept across borders genres languages nations cultures and eras This collection presents innovative approaches to understanding the mediated translated and adapted figure of Faust through both culturally specific inquiry and timeless questions **Johann Wolfgang von Goethe** Jeremy Adler, 2020-03-16 This new critical biography provides a complete picture of German novelist playwright and poet Johann Wolfgang von Goethe Offering fresh thought provoking interpretations of all Goethe's major works including novels such as The Sorrows of Young Werther and The Elective Affinities plays such as Egmont and Iphigenia in Tauris and Goethe's greatest work Faust Jeremy Adler also provides many original readings of Goethe's poetry beginning with the poems written in his early youth Alongside Goethe's work Adler analyzes the incidents of his life including his love affairs and his meetings with the luminaries of his age such as Napoleon Bonaparte Uniquely Adler also shows how Goethe's encyclopedic interest in literature science philosophy law and many other fields became important for a wide range of later scientists and thinkers Among the figures he influenced were Charles Darwin and Albert Einstein Karl Marx and Sigmund Freud mile Durkheim and Susan Sontag Goethe has often been called the last Renaissance man This biography shows that Goethe was in fact the first of the moderns a maker of modernity

Symphonic Spectacles Sam Reenan, 2025 How did composers in the early twentieth century combine traditional approaches to musical structure In Symphonic Spectacles author Sam Reenan presents a set of case studies using works by Strauss Beach Ellington and Mahler among others to show readers how analyses of these works can tease apart the compositional design and reception histories of each piece The book makes these comprehensive analyses even more relevant by including discussion of how the musical works reflect aspects of their composers identities within their historical contexts Kabbalah and Literature Kitty Millet, 2024-01-11 Focuses on a range of Jewish and non Jewish writers to

examine the intersection of Kabbalah the Jewish mystical tradition and secular Jewish literatures Kabbalah and Literature shows how the Jewish mystical tradition contributes to the renewal of literature in a modern global and increasingly disconnected age Kitty Millet explores Kabbalah's conceptual underpinnings aesthetic principles tenets and signifiers to demonstrate how literature's absorption of kabbalistic material has altered its ontology function and the tasks it sets for itself Reading writers from Europe and the Americas Kitty Millet maps how the kabbalist's desire to recover Eden transforms into a latent messianic drive only intuited through text Thus it charts a journey of sorts a migration of Jewish mystical material embedded surreptitiously within text in order to shift ever so slightly at times the range of the literary to encompass an aesthetic vision not easily reducible to the literal the known the allegorical or even the philosophical In this way Kabbalah and Literature proposes a novel intuitive approach shifting focus away from the Jewish text's epistemological elements to embrace its secrets

A Women's History of the Beatles Christine Feldman-Barrett, 2021-01-28 Winner of the 2022 Open Publication Prize by the International Association for the Study of Popular Music IASPM ANZ *A Women's History of the Beatles* is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women Drawing on a mix of interviews archival research textual analysis and autoethnography this scholarly work depicts how the Beatles have profoundly shaped and enriched the lives of women while also reexamining key influential female figures within the group's history Organized topically based on key themes important to the Beatles story each chapter uncovers the varied and multifaceted relationships women have had with the band whether face to face and intimately or parasocially through mediated popular culture Set within a socio historical context that charts changing gender norms since the early 1960s these narratives consider how the Beatles have affected women's lives across three generations Providing a fresh perspective of a well known tale this is a cultural history that moves far beyond the screams of Beatlemania to offer a more comprehensive understanding of what the now iconic band has meant to women over the course of six decades

Werner Herzog Joshua Lund, 2020-07-06 Werner Herzog's protean imagination has produced a filmography that is nothing less than a sustained meditation on the modern human condition Though Herzog takes his topics from around the world the Americas have provided the setting and subject matter for iconic works ranging from *Aquiritre The Wrath of God* and *Fitzcarraldo* to *Grizzly Man* Joshua Lund offers the first systematic interpretation of Werner Herzog's Americas themed works illuminating the director's career as a political filmmaker a label Herzog himself rejects Lund draws on materialist and post colonial approaches to argue that Herzog's American work confronts us with the circulation distribution accumulation application and negotiation of power that resides quietly at the center of his films By operating beyond conventional ideological categories Herzog renders political ideas in radically unfamiliar ways while fearlessly confronting his viewers with questions of world historical significance His maddeningly opaque viewpoint challenges us to rethink discovery and conquest migration and exploitation resource extraction slavery and other foundational traumas of the contemporary human

condition **Faust on the Early Screen** Lorna Fitzsimmons, 2018 The legend of the magician Faust's pact with the devil has fascinated screen media makers since the earliest years of experimentation with the new medium of motion pictures Faust on the Early Screen offers a new path for early film history Engaging with neglected Faustian adaptations for the early screen and reinterpreting the more familiar ones it traces the increasing naturalization of the legend's key metaphors within an in depth comparative analysis of the films intertextual relationships including music magic lanterns magic shows feries and literature By setting the films in transtextual and cultural contexts this book provides insight into the figuration of identity in the early cinema and modern culture *International Faust Studies* Lorna Fitzsimmons, 2011-10-27 This major interdisciplinary collection captures the vitality and increasingly global significance of the Faust figure in literature theatre and music Bringing together scholars from around the world International Faust Studies examines questions of adaptation reception and translation centering on Faust discourse in a diversity of cultural contexts including the Chinese Japanese Indian African Brazilian and Canadian as well as the European British and American It broadens the field by including studies of lesser known or neglected Faust discourse including the translation of Goethe's Faust recently attributed to Coleridge in addition to the canonical **Goethe's Faust** John R. Williams, 2020-01-30 Originally published in 1987 this is a thorough and lucid introduction and commentary to the whole of Goethe's Faust It gives the student of German and European literature valuable insights into the most important work of Germany's foremost poet German quotations are translated or paraphrased in English and a detailed knowledge of German literature is not assumed The book traces Goethe's work on the play over 60 years of his creative career and surveys its critical reception over the 200 years since its first appearance Part One is analysed as a mimetic tragedy Part Two as an historical and cultural profile of Goethe's own times The commentary guides the reader carefully through its subtleties and multi layered references and provides a broad and coherent structure for the overall understanding of the work It suggests provocative interpretations of some figures and episodes in Part Two and places renewed emphasis on parts of the work that often receive relatively little attention An appendix surveys the metres and verse forms of the play **Bayard Taylor's Translation of Goethe's Faust** Mrs. Juliana Catherine (Shields) Haskell, Juliana Catherine Shields Haskell, 1908 Bayard Taylor's Translation of Goethe's Faust (Classic Reprint) Juliana Haskell, 2015-07-20 Excerpt from Bayard Taylor's Translation of Goethe's Faust The criticism of a poetic translation is difficult because the critic will inevitably be tempted to compare it with an ideal which is perhaps forever unattainable This seems unjust to the translator because all translation of poetry must be more or less a makeshift But even such a comparison if it be scholarly and not finical has its value especially when as in the case of Taylor's version of Faust a definite and rigid theory of translation is involved The problem attacked by the author of this study is not to decide whether Taylor's version is or is not better than any other or whether it is or is not the best we are ever likely to get in the exact meters of the original Her questions are rather Is it poetry Does it do the work of poetry when read by one somewhat sensitive to the traditions of

English verse How much of Goethe's poetry has been sacrificed to a theory It seems to me that Mrs Haskell's searching study of these questions is interesting and valuable About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Bayard Taylor's Translation of Goethe's Faust (1908) Juliana Haskell, 2008-08-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work *Goethe's Faust* Johann Wolfgang von Goethe, 1881 *Goethes Faust: The second part* Johann Wolfgang von Goethe, 1897 *Goethe's Faust* Anna Swanwick, 2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
