Going Long Legends Oddballs Comebacks And Adventures:

Going Long Editors of Runner's World Maga,2010-03-30 For more than 40 years Runner s World magazine has been the world s leading authority on running bringing its readers the latest running advice and some of the most compelling sports narratives ever told From inspirational stories such as A Second Life the story of Matt Long the FDNY firefighter who learned to run again after a critical injury to analytical essays such as White Men Can t Run a look at what puts African runners at the front of the pack the magazine captivates its readers every month Now for the first time the editors of Runner s World have gathered these and other powerful tales to give readers a collection of writing that is impossible to put down With more than 40 gripping stories Going Long transcends the sport of running to reach anyone with an appetite for drama inspiration and a glimpse into the human condition

Going Long Editors of Runner's World Maga,David Willey,2010-03-30 For more than 40 years Runner s World magazine has been the world s leading authority on running bringing its readers the latest running advice and some of the most compelling sports narratives ever told From inspirational stories such as A Second Life the story of Matt Long the FDNY firefighter who learned to run again after a critical injury to analytical essays such as White Men Can t Run a look at what puts African runners at the front of the pack the magazine captivates its readers every month Now for the first time the editors of Runner s World have gathered these and other powerful tales to give readers a collection of writing that is impossible to put down With more than 40 gripping stories Going Long edited by David Willey transcends the sport of running to reach anyone with an appetite for drama inspiration and a glimpse into the human condition

Going Long Editors of Runner's World,2010-03-30 Collects forty sports narratives which originally appeared in the magazine from the story of an FDNY firefighter who learned to run again after a leg crushing bus accident to the essay written as a tribute to the talents and qualities of African runners

54 Runners, 54 Stories: The Tale of the 2012 200k JRunners Relay Race Martin Bodek,2013-06-26 This book details the adventure of the 3rd iteration of the famed JRunners Relay Race in which Martin Bodek coaxed each of the runners to detail the race from their perspective No other running book has ever brought the points of view from each participant in a race Also included are runner inputs from the first two editions of the race a history of JRunners and a complete picture of the club and its impassioned members

Olympic Collision Ilai Rowner,Kyle Keiderling,2016 It remains one of the most memorable moments in modern Olympic history At the 1984 summer games in Los Angeles a raucous crowd of ninety thousand saw their favorite in the women s 3 000 meter race Mary Decker go down An audience of two billion around the world witnessed the mishap and listened to the instantaneous accusations against the suspected culprit Zola Budd Just seventeen the South African Budd had already been the target of a vicious and vocal campaign by the antiapartheid lobby after she transferred to the British team in order to compete at the games Decker at twenty six was America s golden girl ready to overcome years of bad luck and injuries to rightfully take the Olympic gold for which she had waited so long With three laps to go Decker and Budd s feet became tangled Decker went

down and didn't get up wailing in primal agony as her gold medal hopes vanished Decker's stumbles continued in the race's aftermath when she refused Budd's apology and race officials found her not Budd at fault for the collision Although both women found success after the Olympics neither could escape the long shadow of the infamous event that forever changed both of their lives and defines them in popular culture to this day Olympic Collision follows Decker and Budd through their lives and careers telling the story behind the controversy the account that emerges is certain to revise the view Americans in particular have held since that fateful day in Los Angeles more than thirty years ago Olympic Collision relives one of the most famous incidents in Olympic history its legacy and what has happened to both athletes since
