## **Gomorra Italy's Other Mafia:**

Gomorra Roberto Saviano, 2007-10-30 An account of the decline of Naples under the rule of the Camorra describes how this organized crime network has gained control of the Neapolitan region in such areas as construction high fashion illegal drug trafficking and toxic waste disposal **Gomorra** Roberto Saviano, 2014-09-11 *Gomorra* Roberto

Saviano, 2008-11-25 The basis of the Sundance TV series *Gomorra* A New York Times Notable Book of the Year A groundbreaking unprecedented bestseller in Italy Roberto Saviano's insider account traces the decline of the city of Naples under the rule of the Camorra an organized crime network more powerful and violent than the Mafia The Camorra is an elaborate international system dealing in drugs high fashion construction and toxic waste and its influence has entirely transformed life in Campania the province surrounding Naples Since seeing his first murder victim at thirteen Roberto Saviano has watched the changes in his home city For *Gomorra* he disappeared into the Camorra and witnessed up close the drug cartel's audacious sophisticated and far reaching corruption that has paralyzed his home city and introduced the world to a new breed of organized crime

**Unequal Europe** James Wickham, 2016-03-02 This wide ranging and comparative text reviews the major theoretical and substantive debates on social inequality in Europe It provides a valuable dual focus on European society and individual societies while placing Europe in its wider global context Demonstrating the continued importance of national difference within Europe the author argues that nonetheless the European Social Model has softened social inequalities such as those of wealth and income distribution social class gender and possibly even ethnicity However these achievements are now being undermined partially by the European Union itself The book also challenges conventional wisdom on Europe's alleged need for immigration and highlights the UK's distinctiveness within Europe explaining the country's uneasy relation to the European project This book will be of great interest to students and scholars of Politics European Societies Social Policy and Comparative Studies

**Chinese Migration to Europe** Graeme Johanson, Narelle McAuliffe, Massimo Bressan, 2015-05-26 Through an analysis of Chinese migration to Europe this volume examines the most pressing migration and integration issues facing many societies today from the political and policy based challenges of managing increasingly diverse communities to individual lived experiences of identity and belonging In addition to chapters on the UK France and Italy the book spotlights one of the most extraordinary examples of Chinese migration to Europe that provided by the city of Prato just 20km from Florence in Tuscany Italy Renowned for its historic textile industry Prato is now home to one of the largest populations of Chinese residents in Europe a phenomenon that is remarkable not only for its magnitude but also for the speed with which it has developed This edited collection which brings together twenty seven separate contributors deepens our understanding of the case of Prato within the context of Chinese migration to the new Europe

The Sociological Turn in Translation and Interpreting Studies Claudia V. Angelelli, 2014-09-15 Increasing attention has been paid to the agency of translators and interpreters as well as to the social factors that permeate acts of

translation and interpreting In addition agency and social factors are discussed in more interdisciplinary terms Currently the focus is not only on translators or interpreters i e the exploration of their inter intra social agency and identity construction or on their activities and the consequences thereof but also on other phenomena such as the displacement of texts and people and issues of access and linguisticism The displacement of texts whether written or oral across time and space as well as the geographic displacement of people has encouraged researchers in Translation and Interpreting Studies to consider issues related to translation and interpreting through the lens of the Sociology of Language Sociolinguistics and Historiography Researchers have employed a myriad of theoretical and methodological lenses borrowed from other disciplines in the Humanities and Social Sciences Therefore the interdisciplinarity of Translation and Interpreting Studies is more evident now than ever before This volume originally published as a special issue of Translation and Interpreting Studies issue 7 2 2012 is a perfect example of such interdisciplinarity reflecting the shift that has occurred in Translation and Interpreting Studies around the world over the last 30 years

Routledge Handbook of Transnational Organized Crime Felia Allum, Stan Gilmour, 2012-03-15 Transnational organized crime crosses borders challenges States exploits individuals pursues profit wrecks economies destroys civil society and ultimately weakens global democracy It is a phenomenon that is all too often misunderstood and misrepresented This handbook attempts to redress the balance by providing a fresh and interdisciplinary overview of the problems which transnational organized crime represents The innovative aspect of this handbook is not only its interdisciplinary nature but also the dialogue between international academics and practitioners that it presents The handbook seeks to provide the definitive overview of transnational organized crime including contributions from leading international scholars as well as

emerging researchers The work starts by examining the origins concepts contagion and evolution of transnational organized crime and then moves on to discuss the impact governance and reactions of governments and their agencies before looking to the future of transnational organized crime and how the State will seek to respond Providing a cutting edge survey of the discipline this work will be essential reading for all those with an interest in this dangerous phenomenon **Transnational Crime and Criminal Justice** Marinella Marmo, Nerida Chazal, 2016-04-13 Providing you with a wide ranging introduction to key international issues in crime and its control this book covers all essential theories and clearly explains their relevance to the world today Going beyond just looking at organized crime the book covers a range of topics including Human rights Terrorism Trafficking Cybercrime Environmental crime International Law Plenty of case studies and examples are included throughout including the Bali 9 Rana Plaza and the shooting of Charles De Menezes and tips on further reading make it easy to know where to go to engage with more debates in the field Making sure you re up to date with current issues this book will be essential reading for students in Criminology and Criminal Justice as well as those in Law and International Relations

*World Politics in Translation* Tobias Berger, Alejandro Esguerra, 2017-09-14 Virtually all pertinent issues that the world faces today such as nuclear proliferation climate change the spread of infectious disease and economic globalization imply objects that move However surprisingly little is known about how the actual objects of world politics are constituted how they move and how they change while moving This book addresses these questions through the concept of translation the simultaneous processes of object constitution transportation and transformation Translations occur when specific forms of knowledge about the environment international human rights norms or water policies consolidate travel and change *World Politics in Translation* conceptualizes translation for International Relations by drawing on theoretical insights from Literary Studies Postcolonial Scholarship and Science and Technology Studies The individual chapters explore how the concept of translation opens new perspectives on development cooperation the diffusion of norms and organizational templates the performance in and of international organizations or the politics of international security governance This book constitutes an excellent resource for students and scholars in the fields of Politics International Relations Social Anthropology Development Studies and Sociology Combining empirically grounded case studies with methodological reflection and theoretical innovation the book provides a powerful and productive introduction to world politics in translation **Naples and the Nation** Ruth Glynn, 2025-05-21 This book addresses Naples relationship with Italy since the introduction of direct mayoral election in 1993 and as articulated in cultural production It deploys theoretical frameworks pertaining to postcolonialism and cultural accentedness to challenge the historical framing of Naples as Italy s internal other and to reposition the city at the very heart of the Italian cultural imaginary The book showcases the breadth of texts and media addressing the city nation relationship analysing less renowned works of journalism literature fashion and film alongside celebrated texts such as Roberto Saviano s *Gomorra* Elena Ferrante s *Neapolitan Novels* and the soap opera *Un posto al sole*

It highlights how such works contest perceptions of Naples as diverging from a national norm by emphasising the continuities that align the city with the nation Though developed with the specificities of Naples in mind the approach is intended as a model for the study of city nation relations in other cultural contexts *Stumbling Giant* Timothy Beardson,2013-05-21 A thoughtful reconsideration of China s actual place in the new world order based on reality rather than fanciful speculation Kirkus Reviews Can anything prevent China surpassing the United States and becoming the world s top superpower While predictions that China s rise to global supremacy is a near certainty have resulted in this belief becoming almost conventional wisdom this book boldly counters such widely held assumptions Investment strategist Timothy Beardson brings to light the daunting array of challenges that today confront China as well as the inadequacy of the policy responses Threats to China come on many fronts Beardson shows and by their number and sheer weight these problems will thwart any ambition to become the world s Number One power Drawing on extensive research and experience living and working in Asia over the last 35 years the author spells out China s situation an inexorable demographic future of a shrinking labor force relentless aging extreme gender disparity and even a falling population Also the nation faces social instability a devastated environment a predominantly low tech economy with inadequate innovation the absence of an effective welfare safety net an ossified governance structure and radical Islam lurking at the borders Beardson s nuanced firsthand look at China acknowledges its historic achievements while tempering predictions of its imminent hegemony with a no nonsense dose of reality *Lonely Planet Southern Italy* Lonely Planet, **Mafia Movies** Dana Renga,2019-07-15 The mafia has always fascinated filmmakers and television producers Al Capone Salvatore Giuliano Lucky Luciano Ciro Di Marzio Roberto Saviano Don Vito and Michael Corleone and Tony Soprano are some of the historical and fictional figures that contribute to the myth of the Italian and Italian American mafias perpetuated onscreen This collection looks at mafia movies and television over time and across cultures from the early classics to the Godfather trilogy and contemporary Italian films and television series The only comprehensive collection of its type Mafia Movies treats over fifty films and TV shows created since 1906 while introducing Italian and Italian American mafia history and culture The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition such as Boardwalk Empire and Mob Wives as well as a new roundtable section on Italy s other mafias in film and television written as a collaborative essay by more than ten scholars The edition also introduces a new section called Double Takes that elaborates on some of the most popular mafia films and TV shows e g The Godfather and The Sopranos organized around themes such as adaptation gender and politics urban spaces and performance and stardom *The Serpent Coiled in Naples* Marius Kociejowski,2022-09-20 A travelogue revealing the hidden stories of Naples In recent years Naples has become for better or worse the new destination in Italy While many of its more unusual features are on display for all to see the stories behind them remain largely hidden In Marius Kociejowski s portrait of this baffling city the serpent can be many things Vesuvius the mafia like Camorra the

outlying Phlegrean Fields which geologically speaking constitute the second most dangerous area on the planet It is all these things that have at one time or another put paid to the higher aspirations of Neapolitans themselves Naples is simultaneously the city of light sometimes blindingly so and the city of darkness although often the stuff of cliché The boundary that separates death from life is porous in the extreme the dead inhabit the world of the living and vice versa The Serpent Coiled in Naples is a travelogue a meditation on mortality and much else besides      **The Anti-Oedipus Complex** Rob Weatherill,2017-02-17

The Anti Oedipus Complex critically explores the post 68 dramatic developments in Freudian Lacanian psychoanalysis and cultural theory Beginning with the decline of patriarchy and the master exemplified by Freud's paean for the Father the revolutionary path was blown wide open by anti psychiatry schizoanalysis and radical politics the complex antinomies of which are traced here in detail with the help of philosophers such as Nietzsche Baudrillard Levinas Steiner and Badiou Derrida and Girard as well as theologians analysts writers musicians and film makers In this book Rob Weatherill starting from the clinic considers the end of hierarchies the loss of the Other new subjectivities so called creative destruction the power of negative thinking revolutionary action divine violence and new forms of extreme control The book raises the following questions Does the engagement of the Radical Orthodoxy movement offer some hope Or should we re-situate psychoanalysis within a genealogy of responsibility Patočka Derrida as it emerges out of the sacred demonic via Plato and Christianity The Anti Oedipus Complex will be of interest to psychoanalysts psychotherapists counsellors social workers and scholars in critical theory philosophy cultural theory literary theory and theology      **Crime, Violence and Masculinities**

Stephen Tomsen,2024-12-30 Providing a detailed survey of the author's work over three decades this book chronicles Tomsen's studies of interpersonal violence and masculinities which initiated new approaches and topic areas and informed related theorising These novel approaches in social science research sparked new pathways of understanding which are outlined and evaluated in discussions of contemporary research and theoretical debates regarding masculinities and violence The work reflects phases of study concerning 1 public and related private urban male violence 2 anti gay anti queer assaults and homicides hate crimes and the ambivalent official responses to these 3 the ambiguous views of violence and different masculinities that are generated and circulate in criminal justice systems and in popular film and online culture and 4 frames of understanding masculine violence that have emerged in recent decades to further explain and address the apparent intractability of much offending its relationship to related forms of social privilege or disadvantage and preventive measures and programmes that are intended to counter this Crime Violence and Masculinities provides insight into the long term production of knowledge about masculinity and gendered violence that will benefit readers engaged in researching these topics as well as those with an interest in research results and their translation into related theory more broadly      *Worn Out* Alyssa Hardy,2022-09-27 With years of expertise in the fashion industry Alyssa's reporting is consistently deep and thoughtful and her work on sustainability and ethics has changed how I view the clothes I wear Brittney McNamara features

director at Teen Vogue An insider's look at how the rise of fast fashion obstructs ethical shopping and fuels the abuse and neglect of garment workers Ours is the era of fast fashion a time of cheap and constantly changing styles for consumers of every stripe with new clothing hitting the racks every season as social media fueled tastes shift Worn Out examines the underside of our historic clothing binge and the fashion industry's fall from grace Former InStyle senior news editor and seasoned journalist Alyssa Hardy's riveting work explores the lives of the millions of garment workers mostly women of color who toil in the fashion industry around the world from LA based sweatshop employees who experience sexual abuse while stitching clothes for H M Fashion Nova and Levi's to homeworkers in Indonesia who are unknowingly given carcinogenic materials to work with Worn Out exposes the complicity of celebrities whose endorsements obscure the exploitation behind marquee brands and also includes interviews with designers such as Mara Hoffman whose business models are based on ethical production standards Like many of us Hardy believes in the personal political and cultural place fashion has in our lives from seed to sew to closet and that it is still okay to indulge in its glitz and glamour But the time has come she argues to force real change on an industry that prefers to keep its dark side behind the runway curtain The perfect book for people who are passionate about clothing and style Worn Out seeks to engage in a real conversation about who gets harmed by fast fashion and offers meaningful solutions for change
