I am **learning** to write a recount that will inform and entertain my reader.

To be **successful** I will need to...

- include some of the five Ws in my opening - When? Where? Who? What? Why?
- write about something that has happened in the past
- write about what happened in order
- use time connectives e.g. In the morning, next, meanwhile, within hours, soon afterwards, weeks later, etc
- write in the past tense
- include powerful verbs e.g. roared, whizzed, scampered, struggled
- 'zoom in' on the part that would appeal to the reader the most
- use details and descriptive language to interest the reader
- give my opinion and refer back to the opening in my closing statement
